ACKNOWLEDGEMENTS

At the outset, I would like to thank almighty for bestowing His blessings on me throughout my life and offering me the opportunity to get into the exemplary world of research. I owe my deepest gratitude to Dr. Bikram Jit Singh Mann, Reader, Department of Commerce and Business Management, Guru Nanak Dev University, for his persistent support and guidance. His transmitting knowledge, constructive thoughts and research acumen has enabled me learn the modalities of research. His consistent motivations and encouragements have enabled me to try and give the optimal in me. Without his counsel and succor I would not have been able to finish this research work.

I am grateful to Dr. Lakhwinder Singh, Head, Department of Commerce and Business Management, Guru Nanak Dev University for his co-operation during the research work and for his untiring efforts for creating enabling environment for research in the department.

I am heartily thankful to Dr. Subhash Chander, Professor, Department of Commerce and Business Management, Guru Nanak Dev University, who has always been ready to give his time and expertise for the betterment of my research work. In fact, he has been my ideal since the days he taught us during M.Com.

I would also like to thank Dr. Balwinder Singh, Reader, Department of Commerce and Business Management, Guru Nanak Dev University, for clarifying my doubts regarding research techniques time and again.

I am also indebted to Mr. Sukhdev Singh, Programmer, Department of Computer Science, Guru Nanak Dev University for designing a program that helped me in the analysis of my research work.

It is my pleasure to thank Dr. J. Ramachandran, Professor, Indian Institute of Management, Bangalore and Dr. Sushil Kumar, Professor, Indian Institute of Management, Lucknow for answering my queries regarding the research work.

I owe special thanks to Dawinder Singh, staff member at Bhai Gurdas Library, Guru Nanak Dev University for creating a favorable environment that helped me in collecting the data from newspapers. I also accredit the services of Bhai Gurdas Library, Guru Nanak Dev University; Ratan Tata Library, Delhi School of Economics, Delhi University and the libraries of Faculty of Management Studies, Delhi University; Fore School of Management, New Delhi; Management Development Institute, Gurgaon; Indian Management Institute, New Delhi; Indian Institute of Management, Bangalore; Punjab University, Chandigarh that helped me in collecting review of literature. I also sincerely thank the staff members of computer labs at Punjab University, Chandigarh; Indian Institute of Management, Bangalore that helped me in collecting data from the database software like PROWESS and SDC Thompson database.

Words cannot fully describe what my family means to me and I would like to thank all my family members for their unconditional support and encouragements to pursue my interest, even in adverse financial conditions. Very special thanks to my mother, Anita Kohli, who always taught me to fight against odds in life and would always be a guiding factor for me throughout my life. Lots of thanks to my dad, Gulshan Kohli, whose praise and recommendation have always motivated me to do hard work. Thanks to
my sister, Princy Kohli for her continuous prayers and blessings for me. Thanks to my brother, Rajiv Kohli who always recognized my work and pursued me to move on in life.

Thanks to my father-in-law, Anil Nayyar; mother-in-law, Sunita Nayyar; sister-in-law, Megha Nayyar for their blessings and encouragements.

I am indebted to my uncle, Rajinder Kohli and aunt Shikha Kohli for believing in me and for providing me financial support whenever I need.

Last but not the least, I am grateful to my angel, Varun Nayyar, for being with me through the adverse conditions of my life and also for enabling me develop professional attitude in life.

At the end, I offer my regards and well wishes to all those who either directly or indirectly supported me during the completion of this research work. Thanks a lot!!!

With Regards

Reena Kohli
