

ACKNOWLEDGEMENTS

I am deeply indebted to Prof. Beela Satyanarayana, Vice Chancellor, Andhra University, Visakhapatnam for giving me admission and an opportunity to take up the present research study.

I thank Prof. M. Aruna Kumari, Principal, Andhra University College of Arts and Commerce, Andhra University, Visakhapatnam and Prof. R. Satya Raju, Head, Department of Commerce and Management Studies, Andhra University, Visakhapatnam for their administrative discipline in their offices during my research work.

I am ever grateful to Dr. D. Lalitha Rani, Professor, Department of Commerce and Management Studies, Andhra University, Visakhapatnam who guided me by giving her valuable suggestions. I owe a lot to Dr. D. Lalitha Rani for her unstinted cooperation.

I extend my gratitude to all the non teaching employees and staff of the Department of Commerce and Management Studies for all their cooperation in pursuing my studies.

I am really happy to thank my organization, Visakhapatnam Steel Plant and the Chairman cum Managing Director Sri P. K. Bishnoi for allowing me to

enrich myself by pursuing Ph. D. course in Andhra University, overlooking my professional obligations within the organization.

My thanks are due to Mr. V. Pradeep, GM(BF&SP), Head of the Department, Blast Furnace for keeping me encouraged from time to time in the course of my research study in the organization.

I express my deep sense of gratitude to Mr. N. K. Nayak, Head of the Department (Mech.), Blast Furnace for his unstinted support up to the completion of my thesis work.

I am grateful to CSM (Corporate Strategic Management) Department for maintaining the 'intranet' loaded with tons of information from which I derived the maximum benefit. I am also grateful to T&DC (Training & Development Centre) for maintaining such a huge library in a cordial atmosphere with extended hours, from which I gathered valuable information without effort.

I won't fulfill my duty if I do not thank Mr. M. Surendra, AGM and Mr. A. Pandi, AGM, Blast Furnace (Mech.) for their kind cooperation by permitting me to do research job in the steel plant.

I take pleasure in thanking my seniors & colleagues Mr. R. K. Das, Mr. P. Ravi Kumar, Mr. T. V. Seshagiri Rao, Mr. P. Prakash, Mr. S. K. Jha, Mr. K. Chandrasekar, Mr. T. Venu Gopal and Mr. H. Naik for helping me to conduct the survey successfully.

It is my duty to thank all the officers, some of whom being in a high position, responded sincerely to my questionnaire expressing their views.

With due respects, I am thankful to the members of my family for their unending encouragement, support and blessing without which this work would not have been possible.

Last but not the least to mention my gratitude to A Rama Devi, senior research student who submitted the thesis under the same guide. She always had been helpful, guiding and rendering support in every manner.

Sig-
