Acknowledgements

At the very outset, with reverence and gratitude, I express my sincere thanks to my research supervisor, Prof Y L N Murthy, former Head & Chairman-BOS, Dept. of Organic Chemistry & FDW, AUCST for his proficient guidance, encouragement. I am also thankful to him for giving me freedom to pursue my own interests and I find myself privileged to have worked under his kind guidance. I proclaim my indebtedness to him for his constant encouragement along with the useful suggestions and constructive critics during the period of this work. I consider myself fortunate in that it would have been impossible to achieve this goal without his support and care.

I wish to acknowledge my sincere gratitude to Prof V Veeraiah, Principal, (I/c) Head & Chairman-BOS, Dept. of Organic Chemistry & FDW, AUCST, Dr V. Siddaiah, Sr Asst. Professor, Prof. P Atchuta Ramaiah, Prof. U.Viplava Prasad and other faculty members of School of Chemistry, Andhra University, Visakhapatnam for giving their immense help and support during my Ph. D programme in the university.

I owe a great debt of gratitude to my teacher Sri. R. S. Krishna Sastry for his encouragement and moral support in my career. It also an appropriate time to remember all my teachers and professors who at various stages of my educational career encouraged me to reach this level and it all is the fruit of their teaching and blessings.

I am grateful to Prof. T. N. Guru Row, K.Durga Prasad, IISc Banglore for XRD studies, Dr. A. K. S. Bhujanga Rao, NATCO Research Centre-Hyderabad for providing anticancer activity, Prof. P.Reddanna, University of Hyderabad, Prof. P.Rajeswara Rao, Dept.of Pharmacology, A.U. for antiasthmatic studies, Dr.Sridevi, Dept. of Microbiology, Andhra Medical College and Y.Nagendra Sastry. It is a great privilege for me to have an association with them.

I express my heart full thanks to senior colleagues Dr. C. Kamakshi, Dr V. Christopher, Dr. E. Nageswar Pandit, Dr. I. V. Kasi Viswanath, Dr. Rama Shekar Reddy, Dr. S. Ramamohan Rao, Mrs. G. Durga, Mrs. P. Mangaveni, Mr. Abdul Razzack, Mr. Shaik Lakshman, Mr. K V V Satyanayana, K. Padmasuhasini, K. Yuvaraj for their constant support.
My special thanks go to my beloved friends Dr.B.Govindh, R.Venu, P. Gopal Reddy, K. Nagalakshmi, who deliberately stood behind me and made this success.

I feel fortunate enough to have been blessed with research friends V R S S Srikanth, Sudarshan, Chiranjeevi, Kiran, Hari Krishna Chari, Venkatesh, Mrs Padma, Pattabhi, Mohana Krishna, Raghava Rao, Ramakrishna, Dr. Venkat Pammi.

I am thankful to my friends Irfan Hyder, V. Kishore, M.Bapi Raju, M. Ganesh Gupta, D,Naresh Raju, R .R. R. Raju, Tanooj, D. Naveen Varma, D.Chandra Sekhar, Tanooj , Suresh, D.Venkatesh, P.G.Prasad and V. Srikanth who always stood behind me to achieve this goal.

The unflinching encouragement, support and motivation I received from Dr. V. Swaminadham, V. Markandeya Sarma, V. Vijaya Bhaskar is very much appreciated towards the success of this thesis.

I have been blessed with incessant moral support and encouragement by my parents B.V.R.Somesswara Rao & Raja Rajeswari and my brothers B. Tejoram & B. V. Bhaskar Krishna and all the family members for their affectionate encouragement and support from time to time.

It is impossible task to mention every individuals name and his/ her contribution to my career at Andhra University. I thank all of them personally.

I would like to acknowledge DRDO authorities, DRDO Bhavan, New Delhi, INDIA for financial support during this work.

As I believe, so far my achievements are due to the grace of GOD, blessing of elders and good wishes from well wishers and friends driven me to touch this height and I solicit the same in my future endeavors.

Bhagavathula S Diwakar
