ACKNOWLEDGEMENT

Every thesis is a product of collective efforts and this work is not an exception. Let me take this opportunity to acknowledge whatever help and cooperation I have received.

First of all, I bestow my heartful sense of gratitude and appreciation to my research guide Dr. A. K. Srivastava, Reader, Institute of Management, Pt. Ravi Shankar Shukla University, Raipur, for his valuable guidance, keen interest and consistent support extended to me during the course of investigation and preparation of the thesis.

It is my sole duty to thank Dr. R.P.Das, Dean, Institute of Management, Pt. Ravi Shankar Shukla University, Raipur, for his valuable suggestions, unforgettable cooperation, affection and interest throughout the period of study.

It would be improper on my part if I do not acknowledge my gratitude to my sister Rani Gaur, and my wife Namrata Sharma, who helped me in all manner that I need in carrying out this research work, without their sincere and whole hearted cooperation it would have been impossible to pursue this research work. I am thankful to my kids Shivanshu and Ishani whose precious moments have been stolen from them to complete this research work.

I am also thankful to my friend Praveen Khandelwal, Jt GM(IT), Airports Authority Of India, who provided various data and reports.

Last but not the least, I pray to goddess Sarasvati and Lord Shiva for their blessings to me in my educational endeavors. I submit this thesis to Pt. Ravi Shankar Shukla University for evaluation and acceptance.
