ACKNOWLEDGEMENTS

When it is time to express appreciation of all, who had been associated with me in one way or another during the process of this research work, my indebted soul turns first to thank my most venerable guide, Dr. Y.P. Jain, Ex. Principal and Head of Botany Department, D.A.V. College, Muzaffarnagar, without whose fatherly sharing and affection, as well as keen guidance, it was altogether impossible to carry out this whole work.

My sincere thanks and gratitude are also due to Dr. P.K. Saxena, Principal and Dr. T.S. Dhaka, Head Botany Department, D.A.V. College, Muzaffarnagar for providing me the best possible facilities during this research work and Dr. P.S. Ratra, Dr. P.K. Aggarwal, Dr. R.S. Yadav, Dr. Sanjeev and Dr. Seema for their constructive suggestions.

I specially owe a word of appreciation and thanks to Sh. A.C. Sharma and Sh. Yogesh Dixit for their assistance and co-operation.

I feel it a pleasant duty to offer my deep respects to my parents, parents-in-law, elder sister, brothers, brothers-in-law, Sisters-in-law and my husband Dr. Pankaj for their affection and constant encouragement.

In the last, but not the least I want to thank my son Osho, for his patience and understanding during the whole process.

Rachna
