ACKNOWLEDGEMENT

Any accomplishment requires the effects of many people and this work is no exception. My heartiest gratefulness and thanks are due to various eminent educationists and other learned scholars without whose help this thesis would not have acquired its present form. In this respect, the first and foremost is Dr. Jaswinder Singh Dhillon, Principal, Khalsa College of Education, Amritsar, who is an eminent educationist, highly innovative and superbly creative in nature. He imparted a quantum of his experience, institution and intellect, out of his professional reservoir and illuminated the entire journey to the accomplishment of the dissertation.

I am extremely thankful to Dr. Surinder Kaur Dhillon, Dean Faculty of Education, G.N.D.U, Amritsar for rendering her brilliant creativity and matchless professional acumen in guiding this project.

I also express my earnest thanks to Dr. Amit Kauts, Principal, M.G.N. College of Education for his help and co-operation in respect of the present work.

I render myself short of words while expressing my thanks to Dr. Surinder Pal Kaur, Lecturer, Khalsa College of Education, Ranjit Avenue, Amritsar for her selfless help and moral encouragement.

I extend my thanks to Dr. Navdeep Kaur, Lecturer, Khalsa College of Education, Ranjit Avenue, Amritsar for her assistance during various stages of research work.

I express my thanks to Prof. Mohan Singh, for his able, sincere and valuable suggestions in helping me to complete this work.

Words at my command are insufficient to show my indebtedness to my dear husband Gurdeep Singh for encouraging me and providing me confidence and infusing in me the spirit to face the challenge of life bravely. I wish to appreciate and give my love to my little son Jalash Veer Singh who gave me the time meant for him. I am also thankful to my mother-in-law for her selfless support. Affectionate thanks are due to my father
Darshan Singh and my father in law Prabhu Singh for moral support and extending necessary co-operation.

I will be falling in my duty if I do not affix my profound gratefulness to head and staff of the library of Khalsa College of Education, Amritsar for their cooperation during my research work.

I accord my thankfulness to nexus computer center for typing this manuscript with great care, precision and patience.

Above all, I thank God for showering His blessing upon me.
