Acknowledgements

I feel privileged in extending my sincere gratitude to all those wonderful people who guided and helped me in completing this dissertation.

First of all I owe my deepest gratitude to my revered parents Smt. Gian Kaur and Sh. Roop Lal Badhan for all of their care, affection, unconditional support, guidance and sacrifices which profoundly helped in shaping my persona. I am indeed privileged that I could collect their pristine love and affection. I would never be able to find any words which could echo my heartfelt regards for them.

It was my destiny to find Dr. M.P.S. Ishar as my Ph.D. supervisor. His passion for research unending zeal, exceptional ideas and creative criticism always encouraged me to face insurmountable challenge. Being always empowered by his graceful and friendly behavior, I enjoyed every moment of my research period. He would remain my role model and source of inspiration in my future professional life. I would also fondly cherish the unconditional and warm care bestowed by madam Mrs. Lida Singh Ishar for rest of my life.

I express my sincere thanks to Dr. P.M.S. Bedi, Head, Department of Pharmaceutical Sciences, Guru Nanak Dev University, Amritsar, for his constant encouragement as well as for providing unlimited access to sophisticated instruments and resources.

My Special thanks are due to Prof. Vivek Gupta, Department of Physics, Jammu University, Jammu and Prof. M.S. Hundal, Department of Chemistry, Guru Nanak Dev University, Amritsar for extending help in determining X-ray crystal structure of some compounds.

I also convey my sincere thanks to Dr. A.K. Saxena and Dr. Perduman Sharma, from Indian Institute of Integrative Medicine, Jammu for kind help in cytotoxic evaluations of compounds.

My sincere thanks are due to Dr. K. A. Suri, Deputy Director, Dr. Pornima and Dr. Ravi Kant Kajuria, Indian Institute of Integrative Medicine, Jammu, for help in recording NMR and mass spectrum. I also wish to thank Dr. A. K. Sinha Scientist G and his research group from IHB, Palampur for his kind help, whenever it was needed.

I remain grateful to teaching staff of the department Dr. Abdul Faruk, Mr. Balbir Singh, Mrs. Neena Bedi, Mrs. Rajbir Kaur, Ms. Sarabjit Kaur and Mr. Amritpal Singh for taking pains to see me through my problems. I gained a lot by associating with these learned people.

It is high time to acknowledge my former senior fellow colleagues, Dr. Lakhwinder Singh and Dr. Ashish Kapur, Dr. Surinderjit Singh and Dr. Gurpinder Singh for their problem-solving attitude and healthy discussions during the course of my research work. I wish to extend my thanks to my colleagues Satyajit Singh, Arvinder Kaur, Vishal Sharma, Gurpreet Singh, Harpreet Singh, Kushlinder Singh and Shalander Gupta for providing a harmonious atmosphere.
I soulfully express my unbound thanks to my in laws Santokh Ram, Baljinder Kaur and Dr. Meena Kumari, Dr. Harnek Lal, Parminder Kum and Neelam for their unconditional love, support and encouragement.

I am also thankful to my friend Mr. Sangat Dev, Mr. Balbir Singh, Mr. Sanjiv Kumar and their families who has always kept me energized and afresh through his outstanding sense of humour.

I owe my thanks to my family members especially loving younger brother Mr. Shiv Kumar and younger Sisters Asha Rani and Rajni for their support, encouragement and patience during the odyssey, to get me to the right path for achieving success.

I have no suitable words to convey my warm thanks to my wife Dr. Reena who shared all the ups and downs of my research work. Without her encouragement and understanding it would not be possible for me to accomplish this work.

I sincerely acknowledge, Guru Nanak Dev University, Amritsar, for providing me an opportunity to perform the research activities.

I also thank to acknowledge Department of Science and Technology and University Grants Commission, New Delhi for financial support as JRF and SRF during my course of study.

Last but not least I thank to the supreme power Sidh Shri Baba Balak Nath Ji and Guru Ji Baba Tersem Lal Ji for showering his blessing on me, and has given me the courage to complete the all important task.
