VITA

The author was born on 4th November, 1942 at Etawah (U.P.) in a respectable Brahmin family. He passed the High School Examination in 1960 from Board of Secondary Education, Allahabad and B.Sc. (Ag.) from Agra University, Agra. He got admitted to M.Sc. (Ag.) in Entomology at College of Agriculture, Raipur Affiliated to Jawaharlal Nehru Krishi Vishwa Vidyalaya, Jabalpur. He completed his post graduation in 1967 with an O.C.G.A. of 3.61 out of 4.00. He has been among the best sportsmen at the College level.

After doing post graduation, he joined in the department of Agriculture, Govt. of M.P. as senior Agriculture Extension Officer at Durg in 1967. In 1971, he joined the JNKVV, Jabalpur services as senior Research Assistant at Raipur. He was promoted to Assistant Professor in 1977 and Associated Professor in 1985.

He has varied experience of Research, Teaching and Extension in Rice. He has published more than eleven research publications, several popular articles, delivered several radio and TV talks and has guided more than 10 M.Sc. (Ag.) students. He has
delivered training lectures to farmers and Officials of the Department of Agriculture from time to time.

The present piece of work is going to be very helpful in developing an effective management system of leaf and plant-hoppers which are among the serious pests of rice in Chhattisgarh region of Madhya Pradesh.
