LIST OF TABLES

Table 1.1 Correlation of the test- retest method of reliability by using the Pearson Product-Moment formula. English Medium

Table 1.2 Correlation of the test- retest method of reliability by using the Pearson Product-Moment formula. Gujarati Medium

Table 2.1 Correlation by the Spearman-Brown Prophecy formula. English Medium

Table 2.2 Correlation by the Spearman-Brown Prophecy formula. Gujarati Medium

Table 3.1 Correlation by the K21 formula for Rational Equivalence Method. English Medium

Table 3.2 Correlation by the K21 formula for Rational Equivalence Method. Gujarati Medium

Table 4.1 Correlation by Cronbach alpha coefficient. English Medium

Table 4.2 Correlation by Cronbach alpha coefficient. Gujarati Medium

Table 5.1 The factor matrix of the ATTRACTION SCLAE for English language Group

Table 5.2 The factor matrix of the ‘ATTRACTION SCLAE’ for Gujarati language Group

Table 6.1 Percentile Norms of the ATTRACTION SCALE. English Medium

Table 6.2 Percentile Norms of the ATTRACTION SCALE. Gujarati Medium

Table 7.1 Summary of results of ANOVA on attraction scores of all variables. English Medium

Table 7.2 Summary of results of ANOVA on attraction scores of all variables. Gujarati Medium

Table 8.1 Frequency of each item given by male students of English Medium

Table 8.2 Frequency of each item given by female students of English Medium

Table 8.3 Frequency of each item given by male students of Gujarati Medium
Table 8.4 Frequency of each item given by female students of Gujarati Medium

Graph 1.1 The location of frequency distribution of the Percentile Norms for ATTRACTION SCALE. English Medium

Graph 1.2 Graphical layout of Percentiles of the ATTRACTION SCALE. English Medium

Graph 2.1 Graphical representation of frequency distribution for the Percentile Norms of ATTRACTION SCALE. Gujarati medium

Graph 2.2 The Percentile layout of ATTRACTION SCALE. Gujarati Medium
