ACKNOWLEDGEMENTS

It is a matter of great privilege and honour for me to express my esteemed 
gratitude and unforgettable indebtedness to my Internal Supervisor, Dr. V.K. 
Dwivedi, Reader, Department of Agricultural Botany (Genetics and Plant 
Breeding), J.V. College, Baraut for his learned counsel unstinted attention, 
obious and meticulous guidance throughout investigation and in the preparation 
of manuscript.

It gives me immense pleasure in expressing my fidelity to my External 
 Supervisor, Dr. S.S. Malik, Principal Scientist, National Research Centre on 
DNA Finger Printing, N.B.P.G.R., New Delhi for his sumptuous suggestions, 
timely help, constant encouragement and deliberate counsel during the course of 
investigation.

I am highly grateful to Dr. Ms. L. Roshini Nayar, Head, Division of Plant 
Exploration & Germplasm Collection and Dr. S.K. Mishra, Head, Division of 
Germplasm Evaluation, NBPGR, New Delhi for providing necessary facilities to 
conduct the experiment and ever willing moral support and encouragement.

I also express my deep sense of gratitude to the Director, NBPGR, New 
Delhi for granting necessary permission for pursuing Ph.D. programme to enrich 
my knowledge and providing the seeds of Indigenous and Exotic collections of 
Ocimum species.

My sincere and heartiest thanks are also due to Dr. Y.S. Tomar, Principal, 
and Dr. Dhirendra Singh, Head, Department of Genetics and Plant Breeding, 
J.V. College, Baraut for providing necessary facilities to conduct the experiment.
I wish to record my sincere thanks to Dr. S.K. Pareek, Ashok Kumar, B.S. Phogat, R.K. Mahajan, I.S. Bisht, Gunjeet Kumar, A.K. Singh, R.S. Rath, O.P. Dhariwal, Rajiv Mathur, Arun Sharma, Jitendra Mohan, Ms. Poonam Suneja and Dev Kumar of NBPG R, New Delhi, Mr. Bhopal Singh and Mr. Ompr Singh of NBPG R, Experimental Farm, Issapur, New Delhi.

I am extremely indebted to my parents Smt. Chhoti Devi and Dr. V.P.S. Panwar, Ex-Principal Scientist, Division of Entomology, IARI, New Delhi for their blessings, untiring support and patience which has brought me up to this level.

I am profoundly thankful to my mother-in-law Mrs. Premlata and father-in-law Dr. Ishwar Singh Balia for rendering moral support and encouragement during my course of research work.

I have no words to express my sincere appreciation to my wife Sangeeta Panwar for her constant encouragement and providing moral support during the entire period of my studies. I wish to record my immense love to my children, Roopali and Anant for their patience who could miss me during late hours to complete the present investigation and their moral support.

I am highly grateful to sister-in-law Mrs. Neelam Panwar and brother Mr. Surendra Singh Panwar, for their moral support during the course of investigation and I am also pleased with my niece Sakshi and nephew Saksham for their cooperation when I was on work during long hours.

Last but not the least, I express my heartfelt thanks to all those who were associated with me and contributed towards the completion of this venture but their names are not mentioned above.
