## LIST OF PLATES

PLATE NO.	TITLE	AFTER PAGE
4.1	Sorghum field: General View	41
4.2	Sorghum grain discoloration	41
4.3	A. Microphotograph of <i>Fusarium moniliforme</i> B. Microphotograph of <i>Colletotrichum graminicola</i> C. Microphotograph of <i>Alternaria alternata</i>	46
4.4	A. Microphotograph of <i>Macrophomina phaseolina</i> B. Microphotograph of <i>Fusarium oxysporum</i> C. Microphotograph of <i>Aspergillus niger</i>	47
4.5	A. Microphotograph of <i>Aspergillus flavus</i> B. Microphotograph of <i>Phoma sorghina</i> C. Microphotograph of <i>Curvularia lunata</i>	49
4.6	Pathogenicity test <i>in vitro</i>	52
4.7A,B	Pathogenicity test <i>in vivo</i>	53
4.7C,D	Pathogenicity test <i>in vivo</i>	54
4.7E	Pathogenicity test <i>in vivo</i>	
4.8A,B,C	Radial growth of various pathogens	59
4.8D,E	Radial growth of various pathogens	64
4.9	Effect of seed inoculation of various pathogens on seed germination	67
4.10A,B,C	Effect of plant extracts on growth of various pathogen	74
4.10D,E	Effect of plant extracts on growth of various pathogen	78
4.11	Effect of antagonists on growth of <i>Macrophomina phaseolina</i>	83
4.12	Effect of antagonists on growth of <i>Fusarium moniliforme</i>	88
4.13	Effect of antagonists on growth of <i>Colletotrichum graminicola</i>	92
4.14	Effect of antagonists on growth of <i>Alternaria alternata</i>	97
4.15	Effect of antagonists on growth of <i>Fusarium oxysporum</i>	101
4.16A,B,C	Effect of fungicides on growth of various pathogens	106
4.16D,E	Effect of fungicides on growth of various pathogens	111
