ACKNOWLEDGEMENT

I am deeply indebted to my guide Dr. D. John Thiruvadigal, HOD, Department of Physics, SRM University, for his guidance and inspiration during my work. Without his helping attitude, it would not have been possible to complete this work.

I would like to express my gratitude to Dr. T. R. Pachamuthu, Chancellor, Dr. P. Sathyanarayanan, President, Dr. M. Ponnavaiko, Vice-Chancellor, Dr. T. P. Ganesan, Pro-Vice Chancellor (P&D), Dr. N. Sethuraman, Registrar, and Dr. C. Muthamizhchelvan, Director (E&T), SRM University for providing financial support and infrastructural support throughout the period of work.

My sincere thanks to Dr. D. Narayana Rao, Director (Research) and Dr. Kasmir Raja, Dean (research) for the DIST-FIST project scheme that funded to procure the simulation tool which aided this work to be possible.

I am very much thankful to my doctoral committee members Dr. S. Mathi Jaya, Scientific Officer-E, IGCAR, Kalpakkam, and Dr. N. Victor Jaya, Professor, Department of Physics, College of Engineering, Anna University, Chennai for their useful comments and suggestions towards the successful completion of this work. Special thanks are due to Dr. P. Aruna Priya, Professor, Department of Electronics and Communication Engineering, SRM University, Chennai for her wholehearted help throughout the period of my research.

I would like to acknowledge the support of my fellow researchers especially, Mr. R. M. Hariharan, Mrs. S. Siva Sathy and my colleagues for their invaluable help rendered to me.
I should not forget my family members who have been with me, during my tougher days especially my husband Mr. S. R. Ruban Singh and my little one R. Mary Sherene. They have supported and guided me, many times when I thought everything was lost. They have been part and parcel of my life and I don’t think I should thank them.

Finally I thank God, for without Him this day would not have been possible.
