Acknowledgement

It’s my immense pleasure to express my heartiest thanks and gratitude to the persons who have great contribution and support in my Ph.D work.

I am sincerely grateful and thankful to my supervisor Prof. G. P. Biswas, Professor, Department of Computer Science and Engineering, Indian School of Mines, Dhanbad, for his contagious support, timeliness guidance, kind help and cooperation, invaluable advices and suggestions throughout my doctoral research. It has been great honor and pride for me to be one of his Ph.D students. The quality time and thoughts I happened to spend and share with him have immense contributions in the process of completion of my Ph.D work in time and I would treasure them throughout my life.

My sincere thanks to Dr. S. Mukhopadhyay, Associate Professor, Department of Computer Science and Engineering, Indian School of Mines, Dhanbad, for his advices and support during my research work, especially during the preparation of the manuscript.

I am also grateful to Prof. P. K. Jana, Head, Department of Computer Science and Engineering, Indian School of Mines, Dhanbad, along with other respected faculty members of the Department of Computer Science and Engineering, ISM Dhanbad, including Dr. H. Banka, Dr. C. Kumar, Dr. Hari Om, Dr. S. Tripathi for their inspiration and constructive suggestion they have provided at various stages of my Ph.D work.
I cannot forget my respected set of teachers from my previous institutions I had studied, namely Prof. Manoranjan Maiti, Prof. Jadunandan Mishra, Prof. Tapan Kr. Pal, Dr. Sankar Kr. Roy, Dr. Sudhansu Khanra, Mr. Tarun Kr. Pal, Mr. Joydev Panda, Mr. Arjun Nayek, Mr. Sankar Das, Mr. Sovan Guhchaet for their continuous help and moral support.

I would also treasure the time I have spent with Dr. Arup Kr. Pal, Dr. Sudhanshu Kr. Jha, Dr. Abhijit Samanta, Dr. Suman Paul, Dr. Mou Dasgupta, Dr. Ashutosh Mahatoo and Dr. Sanjay Kr. Biswash at ISM Dhanbad. I sincerely believe that my interaction with them have helped me improve my attitude towards research and academics. In this context, I would also like to thank my research colleagues Sangram, Damodar, Dhiren-dra, Manoj, Pratyay, Mantosh and other scholars of the Department who helped me in different occasions. I am also thankful to the staff members of the Department of Computer Science and Engineering, Indian School of Mines, Dhanbad, for their kind help and cooperation at various stages.

I gratefully acknowledge the Department of Science and Technology (DST), Ministry of Science and Technology, Govt. of India for the financial assistance under the INSPIRE fellowship Ph.D program (Reg. No. IF10247) and the Department of Information Technology (DIT), Ministry of Communication and Information Technology, Govt. of India under the Infor-
mation Security Education and Awareness (ISEA) program (Project No. MIT(2)/2006-08/189/CSE). I would also like to express my gratitude and heartiest thanks to the Department of Computer Science and Engineering, Indian School of Mines, Dhanbad, for providing their research support, as without such help this work could not be carried out.

I deeply express my special and earnest veneration, gratitude and appreciation to my mother Shaik Hasina Begam and my father Shaik Apser Ali for their blessings, affection, love, inspiration, and never-ending support and kindness that help me grow and evolve in a proper way in my life. My sisters Asura Khan, Masura Khan and Moslema Khatun, my brothers SK Hasibul Islam, SK Azizul Islam, SK Abadul Islam and SK Asraful Islam, my uncle Ashim Maji, my nephews Aspia, Ayaf, Namisha, Saharukh, Sakil, Hadisha, Mizanur, Samin, Hafeza and Ayesha Siddiqa, deserve my gratitude for giving me the opportunity to undertake this work, constantly supporting me over the years, and for always being there. I am lucky to spend most memorable days of my life with my late grandmother Shaik Momina Bibi and this work would not have been possible without her blessings.
