ACKNOWLEDGEMENT

I am overwhelmed with joy to express my profound sense of gratitude to Prof. T.R. Sahu, Botany Department, Dr. Hari Singh Gour Vishwavidyalaya, Sagar (M.P.) for his excellent guidance, enthusiastic inspiration, relevant discussion and valuable suggestions during my research tenure. This work was not possible without his kindly supervision.

I am deeply indebted to my teacher Dr. R.D. Dixit, Ex Additional Director, Botanical Survey of India, Central Circle, Allahabad, who trained me in this field under an AICOPTAX project sponsored by MOEF, New Delhi. He had always reasonance of inspiration. His unfortunate demise has been a big loss.

I am highly obliged to Prof. S.P. Bajpai Head, Department of Botany and Dean, Faculty of Life Sciences, Dr. Hari Singh Gour Vishwavidyalaya, Sagar (M.P.) for easily offering all kinds of valuable opinions and helping to smoothen out the rougher edges from this work. I wish to express my greatful thanks to Faculty Members, Botany Department, Dr. Hari Singh Gour Vishwavidyalaya, Sagar (M.P.).

I find great pleasure in rendering my thanks to Dr. K.P. Singh, Joint Director, BSI, CC, Allahabad, Late Dr. R.D. Dixit, Dr. S.L. Gupta, Dr. G.P. Sinha, Dr. B.K. Shukla, Dr. K.K. Khanna and Sri. Anand Kumar, Botanical Survey of India, Central Circle, Allahabad for their valuable suggestions and inspiring cooperation.

I wish to express my sincere thanks to Prof. S.S. Bir, Ex-Head, Botany Department, Punjabi University, Patiala and Dr. V.S. Manickam, S.J., Director, Centre for Biodiversity and Biotechnology, St. Xavier’s College (Autonomous) Palaymkoottai, Dr. Sarnam Singh, Remote Sensing Institute, Dehradun and Dr. H.C. Pandey, BSI, N.C., Dehradun for his help and encouragement.
It is my love and duty to regard my father Shri R.S. Rawat and my mother Smt. Ram Beti for blessing, keen interests and inspiring encouragement throughout the research work.

I am indebted to my Uncle Sudesh Tiwari, Himesh Tiwari and brother-in-laws Shailendra and Shashi for their inspiration, cooperation and blessing during the period of the work.

I am indebted to all my research colleagues and friends Dr. Pankaj Sahu, Dr. A.K. Jha, Dr. T.A.M. Jagdish Ram, Dr. Miss A. Pinokiyo, N.R. Suman, A. Shukla, Varun Raj, Dr. P.K. Dwivedi, Dr. V.P. Shukla and all my lab mates for their cooperation and help.

I am very thankful to all the official staffs of Botanical Survey of India, Central Circle-Allahabad, Northern Circle-Dehradun, Eastern Circle-Shilong and Field Station-Itanagar, Arunachal Pradesh for their help during my visit.

I wish to express my heartiest thanks and gratitude to Dr. K.P. Singh, Joint Director, Botanical Survey of India, Central Circle, Allahabad for their cooperation and help during my research tenure.

Thanks are also due to various forest officials concerned with Mehao Wildlife Sanctuary, Govt. of Arunachal Pradesh for making all arrangement during field collection.

I am also extending my thanks to Shafiq Akhtar, Smile Studio, University Road, Allahabad for his nice computer typing.

Above all, I thank God almighty for his immense blessing and grace to complete this work successfully.

At last but not the least, to thank my wife Smt. Sadhana Rawat (M.A., Hindi), my son Harsh and daughter Unnati whose are pillar of my strength in my moment of weakness. Without her loving support it would have been a difficult task to accomplish.
