ACKNOWLEDGEMENT

It gives me a great pleasure to present the work on “A Geographical Study of Distribution, Growth and Characteristics of Population in Raigarh District (Maharashtra).” It’s my duty to extend my heartfelt thanks to my teachers, friends, colleagues, associates, students, family members and number of acquaintances and anonymous persons who provided their ever-possible co-operation to make this study a reality.

It is my duty and proud privilege to express my deep sense of gratitude to my research guide Dr. V. T. Gharpure, Retd. Principal, Mahila Mahavidyalaya, Karad, Tal. Karad, Dist. Satara under whose valuable guidance and stimulating discussions during the course of investigation, I have completed this research work.

I am sincerely thankful to Dr. S. T. Gadade, Principal, Changu Kana Thakur Arts, Commerce and Science College, New Panvel for his most valuable co-operation and encouragement for this work.

I express my sincere thanks to Prof. Balasaheb R. Salvi, Head, Dept. of Philosophy, B.N.N.College Bhivandi for his moral support and encouragement.

My special thanks are to Dr. (Mrs.) B. M. Yargop, Head, Department of Geography, Tilak Maharashtra Vidyapeeth, Pune for her kind co-operation during the research work.

I shall be failing in my duty if I do not extend my thanks to Prof. Dr. B. C. Vaidya, Head, Dept. of Geography, University of Pune for his intellectual suggestions on different aspects of the study.

I would like to express my sense of gratitude to Dr. H. M. Pednekar, Head, Dept. of Geography and Vice-Principal Kirti College Dadar, Mumbai, who inspired me and gave valuable guidance for the completion of the thesis.

I extend my sincere thanks to Dr. M. V. Vaithilingam, Research Officer, International Institute for Population Sciences, Deonar, Mumbai who helped me in data collection, literature review and shaping the thesis.

I would also like to thank Dr. Sameer Butala for his assistance in incorporating suitable cartographic work in the thesis. I convey my sincere
thanks to Prof. Mrs. M. A. Vaidya for proofreading and valuable suggestions. I would particularly like to thank Dr. Sudhir Dahiwale, and Prof. Uttamkumar N. Gadhe for their help and support during the course of work.

I am grateful to Mrs. Charuta V. Gharpure who helped me a lot in several ways during the course of this work.

I extend my heartiest thanks to all the staff members especially, Dr. U. T. Bhandare, Prof. M. M. Kamble, Prof. B. K. Bhosale, Dr. B. S. Patil, Prof. B. S. Bansode, Dr. D. S. Narkhede, Prof. S.B. Yadav, Prof. K. N. Dhawale, Dr. A. k. Dixit, Prof. N.C. Vadnere, Prof. Ramakant Wadghare Mr. Pranay Joshi and others for their support during various stages of the work.

I whole-heartedly express my never-ending gratitude to my respectful parents Shri Onkar Nanda Parmar and Smt. Parvatabai Parmar who toiled their valuable life for the betterment of my life. I would not have seen today without their love and dedication and who taught me how to establish my life peaceful and pleasant in spite of many difficulties.

It would be impossible to reach the completion of this work without the support and inspiration of my beloved wife, Mrs. Malati Parmar. She had extended her help with tremendous patience and co-operation in handling the family works during my study period. I am also thankful to my sister Mrs. Rajani B. Nikam, brother Mr. Ratilal O. Parmar, father-in-law Mr. Lotan D. Randive and mother-in-law Mrs. Rambhabai L. Randive for their kind support and constant encouragement during the study. I owe my love and affection towards my daughter Namrata and son Vaibhav who never complained about the lack of my attention during the work.

Last, but not the least, I recall the co-operation of everyone who supported me in all possible ways. I gratefully acknowledge their gesture.
