Acknowledgement

It is a matter of great pleasure to have an opportunity to give vent to my feeling of gratitude to the people without whose help this work would not have crystallized.

I have been singularly fortunate in having Dr. Shreeniwas K. Omanwa, Professor, Department of Physics, Sant Gadge Baba Amravati University, Amravati, my guide whose constant guidance and confidence, affection and enthusiasm will always help me in my future endeavors of this kind. I feel immensely indebted to him for his inspiring guidance and meticulous supervision during the progress of the entire work. The combination of technical talent and scientific understanding of his, is a treasure that has contributed greatly to the quality of my research work.

I am also greatly indebted to Prof. Dr. B. T. Deshmukh, Ex-Dean, Faculty of Science, Nagpur University and Ex-Head, Department of Physics Nagpur University Nagpur, for giving inspiring guidance and constant encouragement from the beginning of my thesis.

I wish to place on record my deepest sense of gratitude to respecte Dr. S. V. Moharil, Reader in Physics, Nagpur University, Nagpur, for his valuable guidance extended to me regarding perception of profundity of problem, conception of strategy of experimental work and interpretation of results thereof. Without his influence, I would not have ever been able to contemplate the research work and his guiding hand has ever been within reach since. I am indebted to him for suggestions from time to time in the preparation of this thesis.

I take this opportunity to acknowledge my heartfelt gratitude to my senior researcher Dr. N. B. Ingle, Asstt. Professor, College of Engineering, Badnera (M.S.) for his valuable guidance regarding the synthesis techniques and tricks, extensive cooperation and guidance in allied activities.

I would like to extend my gratitude to Dr. B. H. Pawar, Professor & Head Department of Physics, Sant Gadge Baba Amravati University, Amravati for kind cooperation in providing laboratory facilities etc.

I am immensely grateful to Dr. M. L. Narwade, Ex-Reader, Dept. of Chemistry Govt. Vidarbha Institute of Science and Humanities, Amravati for his kind guidance in writing the complete chemical reactions for each method.

I gratefully acknowledged my sincere thanks to Dr. Purushottam D. Sahar Reader, Department of Physics, Delhi University, New Delhi, Dr. Anant Pande, SR
thereat and Mr. S. P. Lochab, Head, Health Physics Department, Nuclear Science Centre, New Delhi, for their valuable guidance and help in recording the TL spect various samples.

I would like to express my deep sense of gratitude towards Hon. Shri. Vasantraoji Dhotre, President, Shri Shivaji Education Society Amravati, Shri. Ravindrakumar Mahalle, Principal, Dr. Panjabrao Deshmukh Polytechnic Amravati for granting me permission to carry out this work.

I wish to extend my gratitude to Hon’ble Director, IIT, Powai, Mumbai, N.E. and L.U.P., Nagpur, Director NEERI and R.S.I.C., Nagpur, for their active cooperation in respect of analysis of sample by XRD, FL etc.

I gratefully acknowledge the assistance rendered by Dr. P. L. Muthal, Dr. J. Dhopte, Dr. V. K. Khodanwar, National Environmental Engineering Research Institute, Nagpur, for their timely help.

I also place on record my deep sense of appreciation to Dr. Sunil D. Deshpande Lecturer, Dept. of Physics, Sant Gadge Baba Amravati University, Amravati and friends-cum-researchers in our group, especially, Dr. V. B. Bhatkar, Dr. D. S. Thakur, Shri. R. P. Sonekar, Shri. G. A. Aghalate and Shri. Nilesh Kharade, for their timely help, support, encouragement and kind cooperation during the entire work.

My special thanks are due to Shri. Pravin M. Nerke and Shri. Ravindra Shende, for their painstaking help, excellence in typing and binding of manuscript.

Last, but not the least, I wish to express my heartfelt gratitude to all teachers (Guru) who shaped my mindset and attitude to achieve this academic step.

I do not find words to thank my family members for their encouragement, patience and understanding throughout my educational carrier.
