ACKNOWLEDGMENT

Foremost, I would like to express my deepest gratitude to my guru Dr. Jyoti M. Divecha for her continuous support during my Ph.D. study and research, for her patience, motivation, enthusiasm, and immense knowledge. Her guidance helped me in all the time of research and writing of this thesis also. I could not have imagined having a better mentor for my Ph.D. study than her. Her wide knowledge and her logical way of thinking perseverance till a quality work is achieved have been of great value and a lamppost for me. Her understanding, encouragement and personal guidance have been very useful in creating this present thesis.

I warmly thank Dr. Ashok Shanubhogue, for his valuable advice and time to time support. I would also like to thank Dr. G. A. Patel, Dr. M. B. Bhat. I would like to extend my sincere thanks to Mr. Dharmesh Rayakundaliya and Mr. Ankit Sinojiya for their friendly support and timely help.

I am very grateful to, Prof. V.H. Bajaj, Head, Dept. of Statistics, Dr. B. A. M. University, Aurangabad for providing me with support and encouragement to complete my research work successfully. I am also thankful to Dr. S. L. Sananse, Dr. S.V. Kawale, Dr. A.Y. Tayade and Dr. O. S. Jadhav for their advices during this research work. I would also like to thank Dr. R. V. Latpate, Mr. S. L. Maidpwad and Mr. S.T. Chinchane for their co-operation.
I want to express my gratitude to my lovable teacher Mrs. Alaka Padhye not only for her excellent comments, but also for listening empathically to me, whenever I was excited about a new idea or may be depressed due to failure of some.

I take up this opportunity to extend my deep appreciation to my parents Shree Dhanraj Sonar and Mrs. Pramila Sonar, who have laid down a robust foundation of my life & always been a flow of inspiration to me, motivating & guiding me throughout my life. I would like to give my heartfelt thanks to my mother in law Mrs. Kausalya Jadhav and father in law Shree Suresh Jadhav for their moral support during the research work and at every front of life. I am also thankful to my lovable daughters Aishwarya and Aarya who are contentment for me.

I am deeply indebted to my husband Shree Pramod Jadhav who facilitates and morally supports me for achieving the every success. Without him I would have been a very different person, and it would have been certainly much harder to finish the Ph. D. Special thanks to him for his valuable time, advices and cooperation at every stage of success and failure.

Finally, I would like to thank my brother Mr. Pradip Sonar, my friends Ms. J. V. Patil, Miss. C. D. Dhaigude and everyone who knowingly - unknowingly help me during the research work and completion of my Ph. D.
