ACKNOWLEDGEMENTS

“Fear of the Lord is the beginning of knowledge”.  
“He that is humble, ever shall have God to be his guide”.

What better can a statement be to express my earnest gratitude to all those who have helped me carry out the present endeavour- they all were angels personified, to guide, motivate and contribute to my humble being’s efforts.

“Giving birth and nourishing, having, yet not possessing”, working yet not taking credit, leading without controlling or dominating. Each word of the above stands to it’s ultimate truth while I refer my supervisor Dr. Harprit Kaur. A learned, assiduous and persevering guide whose avid interest in process of my research has mentored me to see through the project, has left me deeply indebted to her. But for her able guidance this work would still be in my dreams.

I genuinely extend an ocean of thanks to the faculty and teachers at Psychology Department especially Dr. Sangeeta Trama (Professor and Head, Department of Psychology) who took keen interest in fulfillment of this research project. All of them untiredly responded to my nagging queries with frank opinions and critical comments which at the end proved monumental in shaping up this work to it’s present level of academic value.
My bouquet of thanks goes to the administrative and clerical unit of Psychology Department who generously helped me in carrying out my work.

I am eternally indebted to my husband Dr. Gyanendra Pratap Singh for his support and assistance in carrying out this dream of mine. Without him being in my life it would not have even possible to conceive of such effort of pursuing research at this stage of life where one has unending personal, family and social responsibilities. My beloved sons Cyril and Yuvraj, little angels are yet another motivation, inspiration and a big boost for me.

And most importantly all my research Subjects whose trust on me and the work, I am doing has humbled me as a person. I from deep core of my heart extend my heartiest gratitude to them.

A special word of thanks to Mr. Rajiv Sharma (Director, British School of Languages, Moga) for his help in proof reading and editing the final draft.

I will be failing in my duty if I do not place on record my gratitude to the almighty God for blessing me with the strength and wisdom to pursue my research work.

Usha
