ACKNOWLEDGEMENTS

It is with great pleasure that I express here my gratefulness to my teacher, Dr. R.K. Shrivastava, M.Sc., Ph.D. (Saugar), D.Sc. (Paris), Department of Zoology, University of Saugar, who criticised and guided this work at every step. I am also grateful to Late Professor D.S. Shrivastava and Dr. H.N. Bhargava, M.Sc., Ph.D. (Saugar), Ph.D. (London), Head of the Zoology Department, University of Saugar, for providing me the necessary facilities for this work.

Grateful acknowledgements are also due to our colleagues of the Pharmacy Department, Shri R.K. Upadhyaya, Shri D. Kohli and Shri C.S. Chauhan for their help in various ways.

I am grateful to Dr. B.S. Chauhan, M.Sc., Ph.D., D.Sc., C.M.Z.S., F.N.A.Sc., C.F.Z.S.I., Ex-Vice-Chancellor, University of Saugar, for encouragement during the course of this work. I am also thankful to Dr. V.K. Agnihotri, Director, State Forensic Science Laboratory, Sagar for constant sympathy and drive during the last phase of this work. I am thankful to my colleagues Dr. U.P. Gupta, Dr. D.P. Thakur, Shri Subhash Pathak, Shri S.S. Naidu and Shri Kurian for helping me in various ways.

I am also thankful to the adjudicators of the Zoological Society, Calcutta, for awarding me the Dr. S.P. Basu
Memorial Medal on the manuscript of the last chapter. This was naturally a source of great encouragement.

Financial assistance for this work was provided by the University Grants Commission, New Delhi and I am thankful to the Commission for that.
