ACKNOWLEDGEMENT

This thesis would never have been possible without all the support, inspiration and encouragement from my close surroundings. Among many people who have supported me during my research work, there are some particular person I would like to take the opportunity to express my gratitude: First and foremost I offer my sincerest thanks to my supervisor Professor Subodh Pande, Head, Department of Economics, Dr. H.S. Gour Central University, Sagar (M.P.) who understood my curiosity and was always there whenever I needed his guidance. I lack in words to show my gratitude of his motivation, cooperation and guidance I shall be indebted to him all through my life.

I am highly obliged and thankful to Prof. K.C. Jain, Dr. Girish Mohan Dubey, Dr. Shyam Manohar Mishra, Mr. Ulasav Anand, Dr. Keshav Tekam and Dr. Virendra Mtsaniya for their valuable co-operation and motivated me throughout my research work.

I would like to place on record the long standing and never ending sense of gratitude towards Prof. (Smt.) Archna Pandey for her constant support and motivation.

I express my thanks to Shri M.P. Dubey, Shri Shrikant Tiwari, Shri Murlidhar Chadar and Shri Sitaram Yadav for their contribution in the successful completion of this thesis.

I would also like to extend my thanks to the librarian of Dr. H.S. Gour University, Sagar (M.P.) for their help and cooperation during literature survey for my research work.

No thanks can be adequately repay the gracious help and hearted cooperation rendered by my friends Dr. Kamlesh Dubey, Mrs. Beethika Bajaj and Mrs. Shaloo Badkul who motivated and accelerated me whenever I felt low, and also they kept me smiling all these years of my studies.

As I visited various places to consult libraries and Government departments and is grateful to the administrative staff of the Planning Commission, Bhopal; District Rural Development Agency, Sagar; Zila Panchayat, Sagar and other associated district level offices of the State Government at Sagar for their institutional assistance. My sincere thanks are also extended to the village peoples for their readiness in providing the required information during the field work.

Shri Shrinivas Sharma, CEO; Mr. D.C. Jain, APO, Zila Panchayat, have always been helpful in materialising the efforts relating to the work, I expressed my gratitude for their co-operations.

My deepest gratitude goes to my parents for their unflagging love and support. They took all the pains to make it possible for me to complete the work by keeping me away from all the
sorrows of the life. My father, Shri Anirudha Singh Bundela, in the first place is the person who put the fundamentals of my learning, showing me the joy of intellectual pursuit. He had never complained in spite of all the hardships in his life. From the bottom of my heart, I express my deep feeling with profound sense of gratitude for my mother Smt. Krishna Singh Bundela, for shouldering the household responsibilities and to provide me every comfort and convenience required to finish the research work.

Words fail me to express my appreciation to my Didi and Jijaji Mrs. Veena and Mr. Narendra Singh Parmar with profound sense of gratitude whose selfless sacrifice and their great efforts with pain and tears and unceasing prayers has enabled me to reach the present position in life.

No words would be enough to express my feelings towards my nieces Nandini, Nandika and Shravani for cheering me with love and affection and making my life so colourful during the course of my work.

I would never forget my all family members without them, this work is not easily possible for me and they gave me spiritual and moral support.

I gave a very sincere thanks to Mr. N.R. Patra, Professional Computers, Civil Lines, Sagar for their devoted work in typing of my thesis and for his valuable suggestions.

Finally, I would like to thank those who directly or indirectly, knowing or unknowing helped me to finish my work, Above all I humbly thank God Almighty, whose sustaining grace has been sufficient for me to complete this endeavor.

Archana Bundela
