ACKNOWLEDGEMENT

I am thankful to Almighty God, the most beneficent and merciful, who provided me with enthusiasm, zeal, courage and patience for undertaking this research work.

Research is very intricate and challenging enterprise which needs consistent hard work, dedication and constant consultation. Its completion requires the investigator to seek help and guidance at all stages. Words fail me in heartiest attempt to express my profound feeling of gratitude to my esteemed, highly intellect and learned Supervisor Prof. Hemant Lata Sharma, Head & Dean, Faculty of Education, Maharshi Dayanand University, Rohtak for her valuable help, able guidance and whole hearted co-operation at every step of the research work. It would have not possible for me to complete this study in this short duration, without her help.

I am also thankful to all the faculty members of Department of Education, M.D.University, Rohtak, who extended all help in every manner for the completion of this work. I greatly appreciate and extend my sincere thanks to all the principals, class teachers, staff members and students of all the of Sr. Sec. Schools chosen for the data collection who have rendered their co-operation in the collection of the relevant data for the present work.

Words are not enough to express my deepest gratitude to Ms. Ritu Rani, Research Scholar, Department of Education, M.D.U. (Rohtak), who generously helped me with her knowledge and experience. Her valuable suggestions kept me on track.

I am also thankful to all my friends for their helping attitude and encouragement. I wish to express my special thanks to all the researchers, authors and publishers, whose work I have consulted and quoted in my research.

My words fail to express the debt of my husband Mr. Yashbir Lohan whose everlasting desire, help & support throughout my academic exploration helped me to sail successfully through my endeavor and finally reach the bank.

The project would never have been completed without the whole hearted support of my brothers Anil Siwach and Vijay Kumar and my sister-in-law Nisha Siwach, words fail to acknowledge their helping nature and moral support at every stage of this venture. I also acknowledge the patience, love and affection of my son Pushp Lohan and my nephew Anish Siwach.
I fall short of words to express my gratitude towards my parents and parents-in-law who have bestowed utmost affection in making my career and study successful.

I am thankful to all the persons who helped me directly or indirectly to complete my research work.

The errors and omissions that remain are mine.
