**Questionnaire for Teachers**

**Part I - General Information**

1. Name. : 
2. Father’s Name. : 
3. Name of the Institution. : 
4. Area in which school exists. : Rural / Urban / Tribal / Backward  
5. Sex. : Male / Female. 
6. Age. : ___ years.  
7. Religion. : Hindu / Muslim / Christian / Sikh  
   (a) Caste. : Whether belongs to Schedule Caste/Schedule Tribe- YES / NO  
9. Academic Qualifications. : Graduate / Post-graduate / Trained  
10. Teaching Experience. : ___ years.  
11. Subjects which you teach. : Science / Social Science / Commerce / Home Science etc.  
12. Age at the time of your marriage. : (a) Below 18 years.  
   (b) 18 to 21 years.  
   (c) 21 to 25 years.  
   (d) 25 to 30 years.  
13. Age at the time of your wife/husband’s marriage. : (a) Below 18 years.  
   (b) 18 to 21 years.  
   (c) 21 to 25 years.  
   (d) 25 to 30 years.  
14. How many children you have? : (a) Only one  
   (b) Only two  
   (c) Three or more  
   (d) Not a single one.
Part - II

OPINION TOWARDS POPULATION AND POPULATION GROWTH

NOTE: Four responses are given to every statement out of which one response is to be marked right (✓) in a bracket given in front of responses, as per your choice.

1. Generally what should be the proper age for marriage of girls in India?
   (a) 18 to 21 years; (b) 22 to 25 years; (c) 26 to 30 years; (d) 31 to 35 years

2. What should be the proper age for marriage of male persons in India?
   (a) 18 to 21 years (b) 22 to 25 years (c) 26 to 30 years (d) 31 to 35 years

3. What should be the ideal number of children for a family earning less than Rs.500/- p.m.?
   (a) Only one (b) Only two (c) Three or more (d) Can't say

4. What should be the ideal number of children for a family earning from Rs. 501/- to Rs.1000/-.
   (a) Only one (b) Only two (c) Three or more (d) Can't say

5. What should be the ideal number of children for a family whose monthly income is from Rs. 1001/- to Rs. 2000/-.
   (a) Can't say (b) Only one (c) Only two (d) Three or more

6. What should be the ideal number of children for a family whose monthly income is from Rs. 2001/- to Rs. 3000/-.
   (a) Can't say (b) Only one (c) Only two (d) Three or more

7. What should be the ideal number of children for a family whose monthly income is more than Rs. 3000/-.
   (a) Can't say (b) Only one (c) Only two (d) Three or more

8. What population will be best/suitable for India?
   (a) 40 Crores (b) 60 to 80 crores (c) 80 to 100 crores (d) More than 100 crores

Part - III

KNOWLEDGE AND AWARENESS ABOUT POPULATION EDUCATION

NOTE: Four answers are given to each statement out of which you have to choose one answer and is to be marked right (✓) in a bracket shown in front of each statement.

1. Which province in India has a maximum population?
   (a) Uttar Pradesh (b) Maharashtra (c) Madhya Pradesh (d) Bengal

2. In India, how many persons are living in rural areas?
   (a) 60% of total population (b) 70% of total population (c) 80% of total population (d) No Information

285
3. In our country which group possess more number of people?
   (a) 01 to 13 yrs. (early age group) ( )
   (b) 14 to 30 yrs (young age group) ( )
   (c) 31 to 60 yrs. (Middle age-group)( )
   (d) 61 and above (old age group) ( )

4. How many persons are added in country's population every year?
   (a) No knowledge ( )
   (b) 0.5 crores ( )
   (c) 1 to 1.5 crores ( )
   (d) 2 crores and more ( )

5. What is the percentage of less than 15 years age-group in our country?
   (a) No knowledge ( )
   (b) 40% of total population ( )
   (c) 45% of total population ( )
   (d) 50% of total population ( )

6. What population is expected in next 20 years if present growth rate continue?
   (a) No knowledge ( )
   (b) 70 to 75 crores ( )
   (c) 80 to 90 crores ( )
   (d) 90 to 100 crores ( )

7. What is your opinion about country's present population which is more than 68 crores?
   (a) No opinion ( )
   (b) Very less ( )
   (c) Too much ( )
   (d) Indefinite ( )

8. What is your opinion about the present growth rate 2.5% of population in our country?
   (a) No opinion ( )
   (b) Too rapid ( )
   (c) Very slow ( )
   (d) Indefinite ( )

9. Are you aware about the problems arose in future due to increasing population?
   (a) No, no problem will arose ( )
   (b) Yes, some problem will arise ( )
   (c) Yes, some serious problems will arise ( )
   (d) Indefinite ( )

10. Are you aware of Socio-Economic Progress of the country due to population growth?
    (a) No, no problem will arose ( )
    (b) Yes, some problem will arise ( )
    (c) Yes, some serious problems will arose ( )
    (d) Indefinite ( )

Part - IV

RELIGIOUS SOCIAL AND ECONOMIC BELIEFS ABOUT POPULATION EDUCATION

NOTE: Three responses are given to every statement out of which you have to choose only one response and is to be marked right in a bracket ( ) shown in front of each statement.

1. Small family norm is supported in your religion.
   (a) agree ( )
   (b) Disagree ( )
   (c) Indefinite ( )

2. Maximum marriages in a particular religion abolish the concept of small family.
   (a) Agree ( )
   (b) Disagree ( )
   (c) Indefinite ( )

3. Religious beliefs will not be disturbed by providing population education to school students
   (a) Agree ( )
   (b) Disagree ( )
   (c) Indefinite ( )

4. Old persons can oppose population education from the religious point of view.
   (a) Agree ( )
   (b) Disagree ( )
   (c) Indefinite ( )

   : (a) Agree ( )
   (b) Disagree ( )
   (c) Indefinite ( )
6. Small family in the society is seen with hate.
   : (a) Agree ( )
   (b) Disagree ( )
   (c) Indefinite ( )
7. Socially youths are more attracted or devoted towards 'small family, happy family'.
   : (a) Agree ( )
   (b) Disagree ( )
   (c) Indefinite ( )
8. Concept of larger family is still considered beneficial/healthy by the old persons of the
   : (a) Agree ( )
   (b) Disagree ( )
   (c) Indefinite ( )
9. Families of higher income group should leave the concept of small family.
   : (a) Agree ( )
   (b) Disagree ( )
   (c) Indefinite ( )
10. Families of limited income group should follow the ideal of small family.
    : (a) Agree ( )
    (b) Disagree ( )
    (c) Indefinite ( )
11. Families of middle class should get liberty to decide about the number of family members.
    : (a) Agree ( )
    (b) Disagree ( )
    (c) Indefinite ( )
12. Low income group families should be allowed to have more members in their family.
    : (a) Agree ( )
    (b) Disagree ( )
    (c) Indefinite ( )

Part - V

ATTITUDE TOWARDS POPULATION GROWTH AND ITS EFFECTS

NOTE: Three responses are given to each statement out of which you have to choose only one response and is to be marked right (✓) in a bracket shown in front of the responses.

1. In India, presently growth rate should be reduced essentially.
   : (a) Agree ( )
   (b) Disagree ( )
   (c) Indefinite ( )
2. Land in our country is sufficient for growing population.
   : (a) Agree ( )
   (b) Disagree ( )
   (c) Indefinite ( )
3. Economic development of India is possible by increased population
   : (a) Agree ( )
   (b) Disagree ( )
   (c) Indefinite ( )
4. The rapid population growth of India has become a problem.
   : (a) Agree ( )
   (b) Disagree ( )
   (c) Indefinite ( )
5. Educational planning will not be affected seriously by the population of children.
   : (a) Agree ( )
   (b) Disagree ( )
   (c) Indefinite ( )
6. Family of less children is more happy than family of more children.
   : (a) Agree ( )
   (b) Disagree ( )
   (c) Indefinite ( )
7. We should encourage people to adopt small family norm in practice/behaviour.
   : (a) Agree  (b) Disagree  (c) Indefinite

8. Rapid population growth is good for the country because country needs more people for the work.
   : (a) Agree  (b) Disagree  (c) Indefinite

9. Population of the country is increasing so rapidly that in next 20 years natural resources will not be sufficient.
   : (a) Agree  (b) Disagree  (c) Indefinite

10. Nothing should be done to solve the population problems as it will be balanced under natural process.
    : (a) Agree  (b) Disagree  (c) Indefinite

11. Unemployment will not be a serious problem even then the rapid population growth is there.
    : (a) Agree  (b) Disagree  (c) Indefinite

12. To raise the average educational standard of people, population should be increased.
    : (a) Agree  (b) Disagree  (c) Indefinite

13. Generally in India, living standard of people is satisfactory.
    : (a) Agree  (b) Disagree  (c) Indefinite

### Part VI

**THOUGHTS ON POPULATION EDUCATION PROGRAMME**

**NOTE:** Four responses to each statement are given out of which you have to choose one response only and is to be marked right (✓) in a bracket shown in front of each statement.

1. How the population education be started?
   : (a) At different educational levels by including in school curriculum. (✓)
   : (b) By including in Adult Education. ( )
   : (c) By including in school curriculum and Adult education but emphasis on Adult education. ( )
   : (d) By giving equal importance to Adult education and school curriculum. ( )

2. At what stage you would like to study population education if it will be introduced at school stage?
   : (a) At Lower primary level. (✓)
   : (b) At Upper primary level. ( )
   : (c) At Higher Secondary level ( )
   : (d) At College/University level. ( )

3. At Primary school stage, how you would like to teach.
   : (a) By integrating with each other. ( )
   : (b) By integrating with some specific subjects. ( )
   : (c) In the form of an independent subject ( )
   : (d) Through outdoor activities of schools. ( )

4. What type of arrangement you would prefer to teach population education at secondary level?
   : (a) By integrating with each subject. ( )
   : (b) By integrating with some specific subjects. ( )
   : (c) In the form of an independent subject. ( )
   : (d) Through outdoor activities of the school. ( )
5. What arrangement you would prefer to teach population education at college/university level.
   (a) By integrating with each subject. ( )
   (b) By integrating with some specific subjects. ( )
   (c) In the form of an independent subject. ( )
   (d) Through Outdoor Activities of schools. ( )

6. To make the concept of small family practicable under Population Education which fertility control method will be best.
   (a) Tablets. ( )
   (b) Injections. ( )
   (c) Nirod or Loop. ( )
   (d) No knowledge. ( )

7. From the following methods of family planning which method you know in a good manner.
   (a) Nasbandi (Sterilization). ( )
   (b) Tablets/Injections. ( )
   (c) Loop. ( )
   (d) No knowledge. ( )

8. From which source you have got information about family planning or concept of small family.
   (a) Not from any source. ( )
   (b) From Newspapers. ( )
   (c) Through lectures or from teachers. ( )
   (d) Through Radio, Television, Films, etc. ( )

9. From the following family planning centres, which centre you know or you have information.
   (a) No knowledge of any centre. ( )
   (b) Hospitals or Primary Health Centres. ( )
   (c) Mid-Wife Centres. ( )
   (d) Distt. Health Offices. ( )

10. How you would arrange population education programme if it will be made a part of Adult education?
    (a) At different school stages through school curriculum. ( )
    (b) Through Outdoor activities of schools. ( )
    (c) Through Mass media e.g., Newspapers, Radio, T.V., etc. ( )
    (d) No opinion. ( )

11. When National population policy is started?
    (a) Since long back. ( )
    (b) Some years ago. ( )
    (c) No such policy in the country. ( )
    (d) No knowledge. ( )

Part - VII

PARTICIPATION IN POPULATION EDUCATION ACTIVITIES

NOTE: Four answers to first statement and three answers to other four statements are given out of which only one answer is to be marked right (✓) as per your choice in a bracket given in front of responses.

1. From which source you have heard about Population education.
   (a) Through mass media. ( )
   (b) During training/seminars. ( )
   (c) Through text books/Reference books. ( )
   (d) Other sources such as friends, etc. ( )

2. Would you apply for training course in population education if it will be organised.
   (a) Yes. ( )
   (b) No. ( )
   (c) Indefinite. ( )

3. Would you attend or heard lectures on Population Education, if it will be organised?
   (a) Yes. ( )
   (b) No. ( )
   (c) Indefinite ( )
4. Would you listen or hear lectures relating to Population Education on Television/Radio?  
   (a) Yes.  
   (b) No.  
   (c) Indefinite.

5. If literature regarding Population will be provided would you prefer to read or utilise?  
   (a) Yes.  
   (b) No.  
   (c) Indefinite.

6. If government will not include population education in school curriculum then would you like to integrate the knowledge of Population Education in your subject?  
   (a) Yes  
   (b) No  
   (c) Indefinite

7. If you would be appointed teacher in a school to teach population education, would you like to bear this responsibility?  
   (a) Yes  
   (b) No  
   (c) Indefinite

### Part - VIII

**Opinion Towards Population Education**

NOTE: Three responses to each statement are given, out of which you have to respond only one response by marking tick (✓) in a bracket shown in front of the responses.

1. Presently the teaching of Population Education is not an immediate need on which concentration is to be made.  
   (a) Agree.  
   (b) Disagree  
   (c) Indefinite

2. Without any financial gain, to include population education in school curriculum will be an extra burden.  
   (a) Agree  
   (b) Disagree  
   (c) Indefinite.

3. Population problems can be solved only through Population education.  
   (a) Agree.  
   (b) Disagree.  
   (c) Indefinite.

4. With the teaching of Population education, there will be a fall of morality among students.  
   (a) Agree.  
   (b) Disagree.  
   (c) Indefinite.

5. Teachers should encourage children/youths to study Population Education as it is useful for their future.  
   (a) Agree.  
   (b) Disagree.  
   (c) Indefinite.

Research Topic: KNOWLEDGE ATTITUDE AND BELIEFS OF SECONDARY SCHOOL TEACHERS AND STUDENTS OF BUNDELKHAND REGION OF MADHYA PRADESH ABOUT POPULATION EDUCATION.

Questionnaire for Students

Part I - General Information

1. Name of Student:  
2. Father's Name:  
3. Caste:  
4. In which class you are studying:  
5. Name of the School:  
6. Area in which school exists: (a) Urban; (b) Rural; (c) Tribal.  
7. Whether you belong to Schedule Caste/ Schedule Tribe: (a) YES / NO  
8. Sex: Male / Female  
9. Age Group: (a) 13-15 yrs.; (b) 16-18 yrs.; (c) 19-21 yrs.  
10. Religion: (a) Hindu; (b) Muslim; (c) Christian; (d) Sikh etc.  
11. Father's Profession: (a) Government servant; (b) Agriculturist; (c) Businessman; (d) Private service; (e) Labour etc.  
12. Mother's Profession: (a) Government servant; (b) Agriculturist; (c) Businessman; (d) Private service; (e) Domestic work etc.  
13. What is the number of your brothers and sisters including yourself? (a) One-Two; (b) Three-Four; (c) Five & more.  
   (a) On what number you are: (a) First; (b) Second; (c) Last one; (d) Alone.  
14. What is your opinion about the number of your brothers and sisters? (a) Too less; (b) Sufficient; (c) Too much; (d) No opinion.  
15. At what age you wish to marry: (a) 18 to 21 yrs.; (b) 21 to 25 yrs.; (c) 26 to 30 yrs.  
16. How much children you wish after your marriage: (a) Only one; (b) Only two; (c) Three or more; (d) No children.
Part - II

OPINION TOWARDS POPULATION AND POPULATION GROWTH

NOTE: Four responses are given to every statement out of which one response is to be marked right (✓) in a bracket given in front of responses, as per your choice.

1. Generally what should be the proper age for marriage of girls in India?
   (a) 18 to 21 years; (b) 22 to 25 years; (c) 26 to 30 years; (d) 31 to 35 years.

2. What should be the proper age for marriage of male persons in India?
   (a) 18 to 21 years; (b) 22 to 25 years; (c) 26 to 30 years; (d) 31 to 35 years.

3. What should be the ideal number of children for a family earning less than Rs.500/- p.m.?
   (a) Only one; (b) Only two; (c) Three or more; (d) Can't say.

4. What should be the ideal number of children for a family earning from Rs. 501/- to Rs.1000/-?
   (a) Only one; (b) Only two; (c) Three or more; (d) Can't say.

5. What should be the ideal number of children for a family whose monthly income is from Rs. 1001/- to Rs. 2000/-?
   (a) Can't say; (b) Only one; (c) Only two; (d) Three or more.

6. What should be the ideal number of children for a family whose monthly income is from Rs. 2001/- to Rs. 3000/-?
   (a) Can't say; (b) Only one; (c) Only two; (d) Three or more.

7. What should be the ideal number of children for a family whose monthly income is more than Rs. 3000/-?
   (a) Can't say; (b) Only one; (c) Only two; (d) Three or more.

8. What population will be best/suitable for India?
   (a) 40 Crores; (b) 60 to 80 crores; (c) 80 to 100 crores; (d) More than 100 crores.

Part - III

KNOWLEDGE AND AWARENESS ABOUT POPULATION EDUCATION

NOTE: Four answers are given to each statement out of which you have to choose one answer and is to be marked right (✓) in a bracket shown in front of each statement.

1. Which province in India has a maximum population?
   (a) Uttar Pradesh; (b) Maharashtra; (c) Madhya Pradesh; (d) Bengal.

2. In India, how many persons are living in rural areas?
   (a) 60% of total population; (b) 70% of total population; (c) 80% of total population; (d) No information.
3. In our country which group possess more number of people?
   (a) 0 to 15 yrs. (early age group) ( )
   (b) 14 to 30 yrs (young age group) ( )
   (c) 31 to 60 yrs. (Middle age-group) ( )
   (d) 61 and above (old age group) ( )

4. How many persons are added in country's population every year?
   (a) No knowledge ( )
   (b) 0.5 crores ( )
   (c) 1 to 1.5 crores ( )
   (d) 2 crores and more ( )

5. What is the percentage of less than 15 years age-group in our country?
   (a) No knowledge ( )
   (b) 40% of total population ( )
   (c) 45% of total population ( )
   (d) 50% of total population ( )

6. What population is expected in next 20 years if present growth rate continue?
   (a) No knowledge ( )
   (b) 70 to 75 crores ( )
   (c) 80 to 90 crores ( )
   (d) 90 to 100 crores ( )

7. What is your opinion about country's present population which is more than 68 crores?
   (a) No opinion ( )
   (b) Very less ( )
   (c) Too much ( )
   (d) Indefinite ( )

8. What is your opinion about the present growth rate 2.5% of population in our country?
   (a) No opinion ( )
   (b) Too rapid ( )
   (c) Very slow ( )
   (d) Indefinite ( )

9. Are you aware about the problems arose in future due to increasing population?
   (a) No, no problem will arose ( )
   (b) Yes, some problem will arise ( )
   (c) Yes, some serious problems will arise ( )
   (d) Indefinite ( )

10. Are you aware of Socio-Economic Progress of the country due to population growth?
    (a) No, no problem will arose ( )
    (b) Yes, some problem will arise ( )
    (c) Yes, some serious problems will arose ( )
    (d) Indefinite ( )

Part - IV

RELIGIOUS SOCIAL AND ECONOMIC BELIEFS ABOUT POPULATION EDUCATION

NOTE: Three responses are given to every statement out of which you have to choose only one response and is to be marked right in a bracket (✓) shown in front of each statement.

1. Small family norm is supported in your religion.
   (a) agree ( ✓ )
   (b) Disagree ( )
   (c) Indefinite ( )

2. Maximum marriages in a particular religion abolish the concept of small family.
   (a) Agree ( ✓ )
