Appendix-II

Tangkhul Shanao Long Activities on Human Rights:

1. Ever since the inception of the Tangkhul Shanao Long (TSL). Its first action was to press for impartial enquiry into the crimes committed by the armed Forces in the state. On 4th Aug. 1974 an All Manipur Women’s Action Committee was formed, and demanded the Central Govt. the trial of guilty armed personnel and went on hunger strike. The Government formally agreed but did not institute any proceedings. Since then the 3rd of March - death anniversary of Ms. N.S. Rose is observed as Protest Day.

On Human Rights Violation:

1. When Ms. NS. Rose of Ngaprum (now Kumram) was gang-raped which led to her suicide on 3rd March 1974, the organization demanded the Govt. for suitable punishment of the culprits.

2. On January 24, 1986 Capt. Mandir Singh of 25 Madras Regiment on attempt to rape Ms. M. Luingamla (17 years) shot her dead. Case was taken up in the military court at Leimakhong and the culprit was court marshaled - terminated from his service.

3. In 1975-76 when 21 Sikh Regiment conducted a state wide search, and tortured, molested, sexually assaulted man and
women, some were abducted and forced to labour without payment. The TSL requested the Govt. for a fact finding team which was accepted and sent on 17\textsuperscript{th} - 22\textsuperscript{nd} Aug., 1982.

A second fact finding team was sent in the year 1986 on the initiative of TSL.

4. FIR was submitted to the SP, Ukhrul Police against atrocities committed by the 20 Assam Rifles against men and women on 15\textsuperscript{th} Aug. 1993 by random firing and injuring hundreds of men and women in Ukhrul Town.

5. On the 9\textsuperscript{th} May 1994 the Assam Rifles fired at random shelled 2 inch mortars at the residential area, killing three persons namely, Ms. Mathotla, Mr. S. Panghom and Mr. Sochihan, unnumbered houses and properties destroyed, men and women injured tortured and harassed and looted valuables. TSL took a leading role and organized the biggest ever Rally in Manipur on 2\textsuperscript{nd} June '94 in which more than 20 thousand people from Manipur participated in protest against such evil deeds of the Assam Rifles.
