ACKNOWLEDGEMENTS

I express heartful gratitude to Dr. V.J. Zacharias my research supervisor and (Retd.) Head, Dept. of Zoology, St. Joseph's College, Devagiri, Kozhikode for the invaluable guidance and persistent encouragement. I am equally thankful to Dr. Sabu K. Thomas, Reader of the same dept. and my Co-guide for the academic support and timely reminders that kept me on track. My sincere thanks are also due to Dr. A.T. Thomas and Prof. P. Cyril, Heads of Dept. of Zoology during the tenure of my research for providing the departmental facilities. Dr. George Mathew, another faculty member have given me useful and encouraging comments on the manuscript and I thank him for the help and kindness.

I also express my sincere thanks to Rev. Fr. Dr. K.M. Joseph, CMI, the present Principal and Rev. Fr. Joseph Vayalil, CMI, the former Principal of St. Joseph's College, Devagiri, for the administrative support. I sincerely acknowledge Prof. A. Kuttiyalikutty, Principal, Farook College and Prof. P.A. Muhammed, Head, Dept. of Zoology, Farook College for generously granting me permission to avail FIP deputation. I also extend my gratitude to the colleagues in the Dept. of Zoology, Farook College, for their co-operation for the timely completion of my doctoral research.

I am also thankful to Dr. P.A. Azeez, my M.Sc. classmate and Director, Salim Ali Centre for Ornithology and Natural History for extending the Library facilities of SACON. I am greatly indebted to Rev. Sr. Jancy, Lecturer (Sel. Grade), Dept. of Zoology, Alphonsa College, Palai and Dr. Muhammed Jafer Palot, Scientist, Zoological Survey of India, Kozhikode for their assistance. I express my gratitude to Dr. Kishore Kumar, Botany
Teacher, Govt. Ganapath Higher Secondary School, Feroke and Dr. C.P. Shaji for their taxonomic help.

My profound thanks are also due to Mr. Vinod K.V. and Mrs. Abhitha Prabhakar, research scholars of Entomological Research Laboratory, St. Joseph's College, Devagiri.

I would also like to thank Miss Dilsha for her help in statistical analysis. I take this opportunity to thank Mr. C.P. Rajan, the layman-turned environmentalist for assisting in the field observations. Finally, I acknowledge my husband Dr. P. Mohamed, who accompanied me in the field and gave me moral support and to my children Irshad and Fahad for their consideration and care. The award of Teacher Fellowship by UGC is also thankfully acknowledged.
