Acknowledgement

At the outset I wish to acknowledge my guides Dr. Lakshyahira Datta, Professor and Head Department of Geography, Gauhati University and Dr. Sailendra Barthakur, Head, Department of Geography, Darrang College, Tezpur for their patience, inspiration and positive motivation in all stages of my work, which has made this research possible. I would remain ever grateful and indebted for their guidance, support and kindness.

I am also indebted to Prof. A.K. Bhagabati, Prof. M. M. Das, Dr. Bimal Kar, Dr. P. Bhattacharyya and D. Saharia of department of Geography, Gauhati University for their valuable suggestions and help in my research work.

My thanks also go to Mr. P. Borah, Statistical inspector, Tezpur and Mr. J.S. Baishya, Deputy Director of Economic and Statistics, Tezpur and several officials of Agriculture and Revenue Department of Sonitpur District for their help in providing necessary data and information relating to the work.

I would be failing in my duties, if I do not mention the name of Late J.N. Deka, statistical Investigator, Tezpur for his pain taking effort in collecting some required information.

I am also indebted to my friend Bibekananda Sarma, Senior Consultant of ‘Project Engineers’, Guwahati for his valuable suggestions, help and support in every stage of my research work.

I am also thankful to Nitya, Jayanta and Dipak for their assistance and help in diverse ways during my work. I ofcourse owes a deep debt of gratitude to various writers and scholars of the subject whose works have been consulted and used in my research work.

Thanks are also due to my parents and other immediate family members, friends who extended their support and help at different periods of my research works.
