ACKNOWLEDGMENT

I have honour to express my deepest and profound sense of gratitude to my respected research guide Dr. R. K. Puri, Professor and Head, University Science Instrumentation Centre (USIC), Shivaji University, Kolhapur for his valuable guidance, stirring discussions and constant encouragement of all types at each and every stage of this present investigation. He has been a great source of inspiration in tackling this new field in to which I have been initiated. It is my privilege that I had the opportunity of working under his guidance. I have no words to express my gratitude and feeling towards him.

I extend my heartfelt thanks to Dr. (Mrs.) Vijaya Puri, Professor, UGC Research Scientist ‘C’, Department of Physics, Shivaji University, Kolhapur, who has actively participated in fruitful discussions, advised as and when required and provided her generous assistance and encouragement for triumphant completion of my research.

My sincere thanks to Dr. C.H. Bhosale, Prof. & Head, Department of Physics, Shivaji University, Kolhapur and Prof. A. V. Rao past Head of Physics department for providing the departmental facilities whenever I required and all faculty members of Department of Physics, Shivaji University, Kolhapur for their valuable suggestions and ethical support.

I am thankful to Dr. Y. N. Mohapatra, Head of Department of Physics, Indian Institute of Technology (IIT), Kanpur, India for providing secondary electron emission measurement facility and extend thanks to Dr. Vandana Singh and Dr. Chandrabhal Singh for their cooperation during SEE measurements.

I extend my wholehearted thanks to my respected seniors Dr. Jyotiprakash. B. Yadav, and Dr. Rahul. B. Patil. I extend my thanks to Dr. Pradeep Kamble, Dr. Ashok Chougale, Dr. Sandip Sohani Dr. Rajaram Patil and my research colleagues Sandip Kamat, M. K. Rendale, Shridhar Mathad, Vaishali Mane, Deepti, Rupali, Shital, and Priyanka for their cooperation, mutual respect and support that has made every step of this work enjoyable.

Research is a solid outcome of obliging efforts. So it is my obligation to owe my genuine thanks for the help of various kinds I received from dearest friends Dr. Sandip Sabale, Dipak Babar, Umesh mote, Umesh Jagtap, Umakant, Nilesh, Rajendra pawar, Bapurao, Prathamesh, Vishal, Nikanth, Vikas, Pravin, Pramod, Dilip, sudhir, Ajit, Pandhrinath, Saipan and Shabana. Last but not least I must articulate my gratitude to my esteemed PARENTS and family who encouraged me throughout my educational career and made me to scale up this step of steeper ladder.

My grateful thanks to Shivaji University for providing me financial support in the form of Departmental Research Fellowship (DRF).

-Sikandar
