ACKNOWLEDGEMENT

At the very outset I thank to the almighty for bestowing everything well beyond the generous share I can ever deserve.

In the completion of this thesis work, I find realization of a long cherished goal and the ending of nerve wrecking hard work. In the pursuit of the research work my contribution become easier with cooperation and help of my research supervisor, teachers, friends and family members. Words are a poor expression of feelings, but still, I am trying to comprehend, as far as I can.

I note down here with humanity and pride that I am most fortunate in having done my research work under the supervision of Dr. A.K. Awasthi, Professor and Head Department of English and other European Languages, Dr. Hari Singh Gour Vishwavidyalaya, Sagar. He was indeed a source of inspiration to me during the entire research work. It is he who gave me all facilities and freedom for my studies and independence to think and write. He has the kindness to give me all sorts of help and guidance. I consider my foremost duty in expressing my sincere indebtedness to him for his constant help, affection and valuable guidance during the course of my present investigation and for building my research career.

I am deeply indebted to all the teachers of my department for their valuable suggestions and kind cooperation in all respects.

It is my proud privilege to record my sincere thanks and profound gratitude to Dr. L.L. Pandey, Assistant Professor, Department of English, Boys
Science College, Sagar, for his immense help, encouragement and for providing me necessary literature.

Thanks are due to the Mr. Ratnesh Anthony Ward, Icon Computers, Civil Lines, Sagar, for his excellent competition of this work and its presentation in present form.

I convey my gratitude to all my relatives whose blessings and care are my all time precious wealth.

The debt I owe to my mother Mrs. S. Das, Sister Richa, brother Dr. Ratnesh and to my in laws Mrs. & Mr. A.K. Benjamin eludes articulation. I would like to mention the love, care and sacrifice of my family and in-laws, which need no formal words. Their expectations, care and criticism for me are my real source of performance. Wherever and whatever I am today it is due to them only.

Last but not the least I acknowledge sincere thanks from bottom of my heart to my husband Mr. Atul Benjamin for his help, advice and encouragement when it was most sought after without his precious help it was not possible to accomplish this thesis.

Finally let me say that, that the pain of converting blank paper to a written manuscript is made possible on account of sustained patience of my HUSBAND.

Ritu Das.
