ACKNOWLEDGEMENTS

I gratefully acknowledge the guidance of Dr. A.G. Devi Prasad, Associate Professor and Chairman, Department of Studies in Environmental Science, University of Mysore, Manasagangothri, Mysore, under whose wise and inspiring supervision this research work has been carried out. I am extremely thankful to him for his suggestions, positive criticisms and meticulous attention throughout this research work.

I express my heartfelt gratitude to Prof. Shankar P. Hosmani, Department of Studies in Botany, University of Mysore and now presiding the Department of Biotechnology, SBRR Mahajana college, Mysore for his continuous and valuable advice, encouragement and help. I am very much grateful to him for the precious help extended throughout this work.

I express my gratitude to Prof. Belagali, Dr.N.S.Raju, Dr.S.Srikantaswamy and Dr. G.V. Venkataramana, Department of Studies in Environmental Science, University of Mysore, Manasagangothri, Mysore for their support and valuable suggestions during the course of this study.

I wish to thank Sri Shivaraju, former Joint Director of Agriculture, Mandya district for providing lab facilities at Soil Testing Laboratory and Dr.G.P.Shivashankar, Professor and former Head, Department of Environmental Engineering, PES Engineering College, Mandya for his assistance during this study.

I express my sincere thanks to Smt Poornima and Sri Deepak, Agriculture Officers of Soil Testing Laboratory, Mandya and Sri Paramananda, Department of Environmental Engineering, PES Engineering College, Mandya for their help in analyzing the water samples throughout the study period.

I express my sincere thanks to the Principal, Yuvaraja’s college, Mysore and Dr.Mahesh, Professor and Head, Department of Botany, Yuvaraja’s college, Mysore for providing facilities for photography and microscopic observations.
I wish to thank Sri Avinash, and Sri Mahesh, SBRR Mahajana’s College, Mysore for their help in statistical analysis of the data.

I gratefully acknowledge the encouragement of Dr. Ramalingaiah, former Principal, PES Engineering College, Mandya for his unstinted support during this work.

My appreciation to Sri K.P. Prabhu, First division assistant, State Accounts Department, Mandya for his assistance in sampling.

I gratefully express my sincere thanks to several friends in particular: Dr. L. Prasannakumar, Professor in Geology, PES college of Engineering, Mandya, Sri T. Nagendra, Professor and Head, Department of Botany, Bharathi college, Bharathinagar, Sri K.M. Sreekantaswamy, Advocate, Mandya, Smt. B. J. Mamatha, Head Mistress, New Indian Public School, Mandya, Sri C. Krishnegowda, Lecturer, Government PU college, Pandavapura, Sri Shantha Mallesh of M/S Umesh R and Associates, Chartered Accountants, for their help and encouragement.

I express my sincere thanks to The Principal Secretary, Finance Department, Government of Karnataka and to The Controller, State Accounts Department for granting permission to do this study.

I love to thank my wife Mrs. Geetha without whose cooperation this work have been an impossible and for her ever enduring patience. Non verbal expression of my kids Kruthik and Chirag would be remembered for their inspiring interaction.

I express my sincere thanks to Mr. Komal Kumar, Miss. Komala, Miss. Swetha, Miss. Nichola and Miss. Sapna Rao for their help during this work. I greatly appreciate the computation of the work and timely help rendered by Mr. Prasad. M.V, and Mr. Prabhakar for their binding work.

Finally I would like to thank every body who rendered direct and indirect support for successful completion of this task.

Siddaraju
