ACKNOWLEDGEMENT

First of all, my deep sense of gratitude goes to my guide Prof. S.K. Dewan, Department of Chemistry, Rohtak and Dr. Rajesh K. Thaper, Ranbaxy Lab. Ltd. Gurgaon who monitored this research work from the beginning to the completion. They have been the source of inspiration and constant encouragement. I am greatly indebted to them for their creative suggestions and invaluable co-operation. I deem myself fortunate to work under their guidance and for providing me conductive atmosphere for my research work. They have always given great attention to my work and also moral support to me.

I wish to express my thanks to Prof. V. K. Sharma, The Head, Department of Chemistry, M. D. University, Rohtak and Prof. K. K. Varma, former Head of Department of Chemistry, M. D. University Rohtak for providing me the necessary laboratory facilities and a stimulating environment for my research.

I acknowledge my sincere thanks to Dr. Ram Thiamattam, Ranbaxy Lab. Ltd. Gurgaon for his concrete suggestions at various stages.

I am very much thankful to Dr. Anu Arya, Dr. Ramkinkar Santra, Tapas Panda, Priti Sharma, Anju and Rashmi for their all time cooperation as well as to my friends for their support in my hard time.

I would like to grab this opportunity to express my deep sense of gratitude to my family members for their love, constant inspiration and encouragement, without their cooperation I would never been successful in achieving this goal.

I ponder to express in words my deep sense of gratitude to my husband, for his patience and encouragement during this work. Love and special thanks to my little son, whose innocent and naughty activities kept me relaxed from the exhaustive work during this period.
I am also thankful to **All the Teaching and Non-teaching Staff** of Chemistry Department, M.D. University, Rohtak for their valuable suggestions and guidance during this work.

Apart from the ones mentioned here, I record my warm thanks to all those who have helped me directly or indirectly in this endeavor.

Last but not the least, I am very much thankful to **Almighty** for providing me strength in my tough times and to all who contributed and helped me during the research period.

_Sangeeta_

Department of Chemistry,
M. D. University, Rohtak
