ACKNOWLEDGMENTS
I wish to record my deep debt of gratitude to my esteemed teacher and research supervisor, **Dr. Rajkumar S. Topandasani**, Associate Professor & Head, Department of Accountancy, Arts and Commerce College, Mendarda, who has guided my research work with scholarly advice and meticulous care. In spite of heavily academic and administrative responsibilities, He has spared countless hours of his valuable time and evinced keen interest and personal care throughout my research work. This research would not have come to fruition but for his love and affection which has given me needful impetus to pursue and complete the present research work. I consider it my privilege to have worked under his able guidance. It has been an enriching experience for me. I thing him heartedly, though I am aware that I cannot thank him adequately.

I am extremely grateful to **Dr. Pratapsinh L. Chauhan**, VC, Saurashtra University, Rajkot and **Dr. Daxaben P. Chauhan**, Professor & Dean & HOD, Department of Commerce and Business Administration, Saurashtra University, Rajkot, for his kind advice and encouragement to complete my research in time.

I am thankful to the all diamond workers, who co-operated me, for required information.

I would like to express my thankfulness to my friends, students and all staff members for moral support. I express my sincere thanks to my Collage I/C Principal **Dr. J K Joshi**, Research Guide, Chairman of Board of Study and HOD Sociology Dept. of M M G College. I would like to express my thankfulness to **Shri M L Patel**, President of Patel Kelavani Mandal and Other Members of Managing Committee of my Collage for granting me enough environments for accomplishing this research work.

I would like to express my thankfulness to **R T Vachhani**, Associate Professor and HOD of Commerce (English Med.) Dept., M M G College, and **P B Radadiya** Associate Professor and my collegeagues in the HOD of Commerce (Gujarati Med) Dept., M M G College JND, for his kind advice and encouragement to complete my research work.

I would like to express my thankfulness to venerable **Gunvantaben, Durgaben, Amit and Little boy Padam**, family of members of my Guide for provide me enough time by keeping themselves alone during research work.
I cannot dream about this thesis without the strong support and co-operation of Mr Hitesh M Rachhadia, my beloved husband. I am really grateful to him for his encouragement and fruitful suggestions. I express my gratitude to my in-laws Narmadaben Rachhadia and Mohanbhai Rachhadia and my father Kishorbhai Dhadus, my late mother Vijayaben for blessing. I express my gratitude to my elder sister Jagruti K Dhadus, Associate Professor, in Commerce, A K Shah Commerce and M N Compani Arts College, Mangrol. And her husband Dr. Bipin Sapovadiya and Lovely child Rushi. I express my thanks to my younger sister Purvika and her husband Jayesh Makadiya and little baby Varda for being constant and unfailing source of strength. I would like to express my thankfulness to my uncle Dr. Dinesh A Mendapare, Principal of M L Patel Vidyalay, Junagadh and my aunt Manjula P Fuletra, Principal of R J Kaneriya Girls High School, Junagadh and cousin brother Jay and Sanket for provide me first stage in academic field.

Last but not least, I am gratefully acknowledge the love and affection received from my beloved daughters Vishwa & Pal, for bearing all the odds he faced due to my reluctant ignoring of her during the course of my research work and provide me enough time by keeping herself alone during research work.

I put my sincere thank to BCA department of my college and Jay Ambe binders for providing excellent shape of the research work.
