ACKNOWLEDGEMENT

I am sure this acknowledgement page is woefully incomplete; but I will do my best to list all the people who have helped me the most with their pieces of advice to the progress of my work over the last five years of my research.

First of all, I wish to thank God Almighty, for showering His most abundant grace and blessings on me day by day throughout this work and providing me strength to accomplish this work successfully.

I wish to express on record my deep sense of gratitude and indebtedness to my guide Dr. G. Devarajan, former Prof. & Head and presently UGC Emeritus Professor in the Department of Library and Information Science, University of Kerala for his great patience, able guidance, valuable advice and constructive criticism throughout the course of my research. Despite his continuous pre-occupations, he was kind enough to spare his time and experiences whenever needed without which I could not have completed this work successfully.

I am grateful to Dr. A. Gopikuttan, Head of the department of Library and Information Science, University of Kerala for providing me the opportunity to utilize the facilities of the Department of Library and Information Science.

It is a real pleasure for me to thank Dr. K.P Vijayakumar, Reader, Department of Library and Information Science, University of Kerala for his encouragement and support to complete the work successfully, who was ready to answer any questions at any time. I thank him especially for his enthusiasm and ever failing desire to improve my work. I also thankful to all the faculty members of the Department of Library and Information Science, University of Kerala for all their inspiration, encouragement and valuable suggestions.

I would like to express my sincere thanks to all the librarians of the university libraries in Kerala and Dr. V.Jalaja, Head of the Department of Library and
Information Science, University of Calicut, for the help extended to me during data collection. I am also thankful to the students, teachers, graduate members, and non-teaching staff of the university libraries in Kerala for their kind cooperation and patient listening to my instructions to fill up the questionnaires and for giving me required data for completing the study.

I acknowledge the Deputy Librarian-in-charge Smt. C.S Laila and all my friends especially Smt. M.S Madhumati, Assistant Librarian of the Kerala University Library and P.K Sheena Kumari, Librarian of the Department of Library and Information Science for their kind support and encouragement extended to me throughout the study.

I would like to thank my wife, E.Meenakumari, for her love, patience and help during this work. I am also very thankful to my father, N.Kochappan Pillai, mother, P.Rajama, mother-in-law B.Easwariamma and my children Maneesh S.Nair and Megha S.Nair for their prayers, unending support, encouragement and providing me with everything more than what I can ever repay them.
