ACKNOWLEDGEMENTS

Knowledge is the only instrument of production that is not subject to diminish returns. What knowledge I have gained throughout the period I processed, my thesis is attributable to honourable Dr. Anand Prakash Mishra, Reader in Inorganic Chemistry, Department of Chemistry, Dr. Harisingh Gour University, Sagar, for his inspiring guidance, generous encouragement and help bestowed on me throughout the course of this investigation. Without his day to day esteemed guidance this thesis would not have been possible.

I am indebted to Prof. V.K. Saxena, the Head, Department of Chemistry, Dr. Hari Singh Gour University, Sagar for generous help in providing departmental facilities and encouragement to carry out the present work.

I am thankful to the RSIC, CDRI, Lucknow and I.I.T., Mumbai for spectral and analytical studies of the synthesized compounds. I am also thankful to Department of Chemistry, Amaravati University for Magnetic facilities.

I would like to offer my profound respect and sincere gratitude to Prof. R.K. Gautam, Prof. S.P. Banerjee (Former Head of Department), Prof. S.C. Sarg, Prof. S.K. Shrivastava, Dr. S.K. Limey, Dr. (Smt.) S.D. Shrivastava and Dr. Archana Pandey Dr. Hari Singh Gour University, Sagar for encouraging attitude during this work.
I offer my profound respect and feelings to my loving parents, all family members specially to my wife Keerti and my son Yesh and all relatives without whose patience, blessings and cooperation I would not have been in a position to complete my research programme.

I am also thankful to Dr. Vivek Tiwari, Dr. Kashmi Singhai, Dr. Mahima Khare, Dr. Sunil Gautam, Ms. Hershita Purwar, Mr. Ashutosh, Mr. Albert, Mr. Saurav, Mr. Swapnil, Mrs. Ritu, Mr. Vikrant, Mr. Manish, Mr. Madhusudan, Mr. Vikash, Ms. Shivani, Ms. Varsha, Ms. Prachi and all the Research Scholars of the Department, being involved in a research work like nature, have shared numerous moments of joy, cooperation and despair with me.

I am also grateful to Professional Computer Centre for typing the manuscript in a short period.
