I would like to express my deep sense of gratitude, appreciation and indebtedness to my research supervisor Dr. M.P. Sastry, Professor of Statistics (Rtd.), Sri Venkateswara University, Tirupati for his valuable guidance. His sincere interest, continuous encouragement, constructive criticism, support and generosity during the research work have helped me in completing the thesis. I am also thankful to the Head, Department of Statistics, S.V. University, Tirupati for his help and co-operation.

I am indeed grateful to Professor M.J. Kesava Murthy, Special Officer, S.V. University P.G. Centre, Kurnool for his encouragement and for providing the facilities during the research work. Appreciation and a note of thanks is extended to my co-faculty members Dr. K.V. Subbaraya Sarma and Sri C. Umasankaram for sharing some of the ideas and thoughts on the area of my research work and for their co-operation.

I also welcome this opportunity to express my gratitude to Professors C.R. Prasad, SQC Unit, ISI, Madras.
Late Dr. C. Bhagawan, Andhra University, Waltair and Dr. K.M. Mehata, MIT, Madras who had been the source of inspiration during the course of the research work.

Most of all, I wish to express thanks to my wife Sujatha and kid Praveen Raj for their cheerful patience, encouragement and unwaivering confidence to help my pursuit of Doctorate.
