ACKNOWLEDGEMENT

Man is a social animal and from the primitive age, he believes in organizations. Everyman has limitations and he can not do each and every work with same perfection. Although I am taking the credit of this work but in fact there were so many hands behind the successful completion of this work. It will be unjustified to take whole credit of the work without mentioning the name of the persons whose hands are behind the curtain.

From depth of my heart firstly I thank to the Almighty God who gave me strength and creativity to achieve the milestone of my life.

I take this opportunity to express my indebtedness, heartfelt gratitude and reverence to my research guide Dr. (Mrs.) S.D. Srivastava, Reader, Department of Chemistry, Dr. Hari Singh Gour University, Sagar for her invaluable guidance and kind supervision. She remained incessant source of inspiration, affection, enthusiasm and encouragement during the course of my research work.

I wish to express my sincere gratitude to Professor K.S. Pitre, Head, Department of Chemistry, Dr. H. S. Gour University, Sagar for his valuable co-operations and for providing me all the necessary laboratory facilities to carry out this work.

I am particularly happy to acknowledge Professor S.K. Srivastava for invaluable inspiring and caring attitude, exquisitely superb help in solving many difficulties.

I express my thanks to Head, SAIF, CDRI, Lucknow and Punjabi University, Chandigarh for recording various spectra and elemental analysis incorporated in this thesis. I am also thankful to all the staff members of Jawaharlal Nehru Library, Dr. H.S. Gour University, Sagar for their cooperation in library work.

I offer my sincere thanks to Professor S.P. Vyas, Head, Department of Pharmacy; Professor P.C. Jain, Head, Department of Microbiology; Mr. Lachoria Laboratory Technician, Department of Botany, Dr. H. S. Gour University, Sagar for providing infrastructural facility for carrying out my work.

I am also thankful to all the teaching and non-teaching staff members of Department of Chemistry, Dr. H.S. Gour University, Sagar for their kind guidance, cooperation and valuable suggestions extended in completion of this work.
Words become short as I thank to Mr. Anuj Saini for always being a mentor, pillar of support and giving me invaluable suggestions and cooperations for the successful completion of the thesis. He also helped to tide over my frequent bouts of depressions.

All the words could not sum up the pain and hardships of my father Shri A.K. Kohli, mother Smt. P. Kohli and my grandmother Smt. A.W. Kohli to face during my ascent to this achievement, where constant encouragement gave me strength to fulfill their dreams.

I am thankful to my seniors of the laboratory Dr.(Mrs.) Ritu Yadav – WOS-A Scientist, DST, New Delhi, Dr. Ashish Jain, Ms. Pratigya Silakari, Mr. P.K. Dwivedi and Mr. Dinesh Raikwar for their guidance and cooperations. Thanks also goes to my laboratory colleagues Ms. Smita Verma, Ms. Aradhana Nema, Mr. Jagdish Prasad Sen and Mr. Dharmendra Shukla for their cooperation in laboratory. I am also thankful to my juniors Mr. Surendra Sonwane, Mr. Rajeev Dua, Ms. Monika Soni, Ms. Neha Tiwari, Mr. Rudra Mishra and Ms. Priya Gupta for their help during the research work.

I honestly acknowledge my roommates Ms. Simmi Modi and Mrs. Sandhya Pathak for their conductive nature, critical and constructive comments and cooperation for the successful completion of my research work.

I convey my thanks to Ms. Richa Jain, Department of Microbiology, Dr. H. S. Gour University, Sagar for their timely help, support and guidance through out my work.

I express my sincere thanks to my hostel warden Dr. Janak Dulari Ahi for her loving and cooperative attitude during my hostel life.

I would like to thank Mr. N. R. Patra and Mr. Goutam Bera of Professional Computers, Sagar for not only typing the manuscript, but completing my thesis work timely and systematically.

I also extends my thanks to all those who directly and indirectly cooperated during the research work.

I pay my tribute to Sir Dr. Hari Singh Gour, founder of our University.
