I express my deep sense of gratitude and indebtedness to honourable guide Dr. K. L. Tiwari, Head, School of Studies in Biotechnology, Pt. Ravishankar University Raipur (C. G.) for his dexterous supervision, highly commendable guidance and constant encouragement throughout the course of this investigation, without which it would have been not possible for me to bring this steeplevous work to its present form.

My most sincere thanks are due, to Dr. (Smt.) Geeta Tiwari, Principal, Govt. D. B. Girls P. G. College Raipur (C. G.) who always gave unreserved, affectionate co-operation and encouragement at various stages of this work.

I wish to express my heartfelt thanks to Dr. S. R. Ingle Principal, Govt. Science Autonomous College Raipur (C. G.), for his kind help, valuable suggestions and co-operation during the work and providing me with necessary lab facilities.

I feel privileged in recording my sincere thanks to Dr. S. K. Jadhav Reader, School of Studies in Biotechnology, Pt. Ravishankar Shukla University Raipur (C. G.), for his keen interest in this study and invaluable guidance, discussion, untiring help and encouragement extended at every step of this study.

I wish to extend my heartiest thanks to Prof. (Mrs.) M. Dutt, Head of Botany Department, Govt. D. B. Girls P. G. College Raipur, Mrs. K. Shrivatava, Mrs. V. L. Sharma, Mrs. D. Shrivastava, Mrs. A. Shrivastava, Mrs. V. Acharya, and Mrs. S. Patra for their co-operation and blessings have always been a source of inspiration during the entire work.

I am extremely thankful to Dr. P. Tiwari, Shri A. Sharma, Dr. R. Diwan, Dr. V. Kanungo, Dr. V. Kohli, Mrs. S. Bajpai, Shri N. B. Singh for their kind help and valuable suggestions from time to time.

It is a pleasure to express my deep sense of gratitude to Prof. C. Manoharachary, Dr. (Mrs.) I. K. Kunwar, Department of Botany, Osmania University, Hyderabad (A.P.) and Dr. N. D. Sharma JNKVV, Jabalpur for their help in identification of fungal species.

I take this opportunity to thanks all my colleagues, research scholars and students for their assistance in my work.
My special thanks are due to all the staff members of Botany Department, Govt. Autonomous Science College and Govt. D. B. Girls P. G. College Raipur, School of Studies in Biotechnology, Pt. Ravishankar University Raipur, for whatever help they have extended towards me.

I am heartily thankful to my husband Dr. D. S. Saluja, my son Kawaljeet Saluja, daughter Gunjan Saluja and other family members for their moral upliftment and for enhancing my courage and extending their co-operation throughout my endeavour to reach the goal.

Dr. Yadav deserves my thanks for his tireless efforts in typing this thesis.

Lastly I thank Almighty for showering his blessings on me otherwise this work would not have been completed in time.

Date: 8 7. 2005

(P. K. SALUJA)
