ACKNOWLEDGEMENT

I feel extremely privileged and fortunate and express my indebtedness to Dr. A. Suriakanthi, Director, Department of Adult Continuing Education, Gandhigram Rural Institute (Deemed University), Gandhigram, Tamil Nadu for having accepted my candidature for research. A most grateful acknowledgement is made for her scholarly guidance and sustained enthusiasm at each step throughout the process of investigation and report writing.

It is a pleasant duty for me to express my sincere thanks to Gandhigram Rural Institute (Deemed University) Gandhigram for having permitted me to study as a part time scholar and also for having provided required assistance and facilities to complete the study in the stipulated time.

I wish to place on record my sincere gratitude to Dr. G. Manimegalai, Dean, Home Science Department, Tamil Nadu Agricultural University, Madurai and member of the research committee for her valuable advice in this research endeavour.

I would also like to express my heart felt thanks to Dr. N. Kamalamma, Professor and Head of the Department of Home Science, for her valuable support, sincere encouragement and thoughtful suggestions,

I place on record my appreciation and special thanks to my esteemed colleagues Dr. B. Prasannakumari, Dr. S. Syamakumari and Dr. Suma Diwakar in the Department of Home Science, College of Agriculture, Vellayani, Thiruvananthapuram, Kerala for their encouragement and moral support.
A special word of thanks are due to Professor N.K. Vimalakumari, Head of the Department (Home Science), College of Agriculture, Vellayani for her enthusiastic support which lightened my work a great deal.

I wish to acknowledge with grateful thanks the excellent counselling and support rendered by the staff of Adult Continuing Education and Extension Department, Gandhigram and a sincere word of thanks to acknowledge the help given by research scholars G. Sureshkumar, Ms. S. Sivagami Sundari and Ms. S. Selvarani and Mr. P. Sebastian.

In this venture, I remain deeply indebted to my family members especially to my husband Sri S. Chandran, my mother Professor M. Kolammal and my daughters Chandni Chandran and Chandana Chandran. It may not be the accepted format to acknowledge one’s own family members still I am doing so, as it is their constant encouragement, cooperation and support that enabled me to realize my dream. I also owe my reverential gratitude and ardent sentiments to my demised father, father in-law and mother in-law for their blessings.

My sincere thanks are due to Ms. S. Manju Matha Devi for neat typing and her tireless help in the preparation of this document.

I am greatly indebted to the school children, their school teachers, Head master / Principal of the selected schools for their kind cooperation without their consent this research activity would not have been accomplished.
