ACKNOWLEDGEMENTS

The author is greatly indebted and profoundly thankful to Dr. D. Hazarika, Professor, Electrical Engineering Department of Assam Engineering College and Dr. K. C. Sarma, Professor, Department of Instrumentation and USIC, Gauhati University for their guidance, help and encouragement throughout the course of this work. It has been a pleasant and fruitful experience for me and I considered myself to be fortunate to have them as my supervisors.

I am also grateful to Dr. A. C. Mazumdar, Professor, Department of Geology of Gauhati University for his interest and encouragement.

Grateful acknowledgements are also due to Dr. S. Laskar, Mr. A. Sarma, Dr. S. Bhuyan, Dr. P. Phukan, Dr. M. K. Bhuyan, Mr. M. Buragohain, Dr. K. N. Sarma, Dr. P. B. Baruah, Mrs. N. Baruah, Dr. P. Kakoti, Dr. D. Agarwala and all my colleagues, friends and relatives for their helps and encouragement in various stages of this research work.

I am also thankful to all the faculty members, research scholars, laboratory and office staff of Department of Instrumentation and USIC of Gauhati University for their help during entire period of this work.

Finally I wish to express my gratitude to my wife Dr. Manjula Borthakur, my son Manu and my parents for their constant inspiration and moral support to carry out this research work.
