ACKNOWLEDGEMENT

It's a great honour and proud to be associated with Dr. S.S. Chavan, my research Guide and Philosopher without whom none of this could have happened. It is excellent opportunity for me and I have learned too much along with his excellence in academic and social aspect. I would like to thank with immense gratitude throughout the life for his precious suggestions, encouraging guidance, constructive critics, incredible patience and kind cooperation to me throughout my research work. His critical suggestive commentary on my work has played a major role in both content and presentation of my discussion and arguments. Even though, I have learned a lot of from him, I also wish to learn much more in future. He is my inspiration not only in the academic and research field but also in personal life. I am benefited with his honest, hardworking and entrepreneurship.

I take opportunity to thank Prof. S. R. Patil, Head, Department of Chemistry, Shivaji University Kolhapur for providing necessary facilities and encouragement during research work.

I am thankful to Prof. P. P. Hankare, Prof. M. A. Anuse, Prof. P. N. Bhosale, Prof. M. B. Deshmukh, Prof. G.S. Gokavi, Prof. B.S. Mohite, Dr. S.S. Kolekar, Dr. D.M. Pore, Dr. G. B. Kolekar, Dr. U. V. Desai, Dr. D. H. Dagade and especially Prof. G.K. Lahiri, Prof. A.G. Samuelson, Dr. P.P. Wadgaonkar, Dr. G.S. Rashinkar, Dr. S.D. Jadhav and Dr. S.L. Gholap for their continuous encouragement and hearty co-operation. I am also thankful to the non-teaching staff of Chemistry Department for their kind co-operation.

I am heartily thankful to Mrs. Priyadarshini Chavan for constant source of inspiration and encouragement.
My special thanks to my research colleague friends Dr. Vaishali Sawant, Mr. S.K. Sawant, Dr. B.A. Yamgar, Mr. B.G. Bharate, Ms. A.N. Jadhav for their kind cooperation and help in every aspect throughout this work. I also thank Mr. Anand Sawant, Mr. Makarand Kulkarni, Ms. Dhanashri Patil, Dr. Sandip Sankpal and all research colleagues of the department.

I am thankful to all my special friends Mr. B. C. Somwanshi, Mr. D. M. Bhide, Mr. V.V. Londhe, Mr. V.D. Surve, Mr. U.E. Mote and especially Mr. D.V. Kale, Dr. D.S. Rajmane, Ms. S.K. Babar, Mr. U.B. Atpadkar, Mr. K.B. Sawant and Mr. D.J. Bandgar for their valuable cooperation and encouragement during my research work. I am also thankful to my friends Mr. V.A. Jadhav, Mr. P.E. Jadhav, Mr. K.R. Pawar, Mr. S.M. Vibhute, Mr. S.G. Hajare, Mr. P.M. Hasabe, Mr. A.T. Kolekar and Mr. D.N. Lohar for their encouragement during my research work.

Lot of credit goes to my wife Mrs. Mangal with our sons Prabuddha and Prasanna who gave their time for this undertaking, whose love and patience has always been my greatest strength and without whose support this work was simply impossible. I remember with gratitude the blessing of my late parents, who have been an invisible constant life source of energy in contributing a little to the development of science. My brother Dada, Bhabhi, Atish, Vilas, sisters Latau, Chayakka, Ulpatai and in laws father, mother, Mama, Mami, Atya, Maushi brothers Nagnath. Shinde, Kisanrao Ovhal, Arun Rawde, Uttamrao Londhe Shivajirao and Siddharth, sisters Archana, Amrapali, Jaya, Vandana, all relatives and family members were the constant stream of inspiration.

Finally, I am very much thankful to all those who have assisted me directly and indirectly in the completion of this work.

Gautam Anna Gaikwad
