ACKNOWLEDGEMENT

At the end of my thesis, it is a pleasant task to express my thanks to all those who contributed in many ways to the success of this study and made it an unforgettable experience for me. Thesis acknowledgment gives me an opportunity to show my gratitude for the people for their dedications, prayers and supports.

I express my deep sense of gratitude to my guide Dr. P. J. VYAS (Associate Professor, ShethMotilalNyalchand Science College, Hamchandracharya North Gujarat University, Patan). It is a matter of honor and pride to get an opportunity to carry out research work under his precious and able guidance. I will always be thankful for his wisdom, profound scientific knowledge and human nature. Sir, I will never forget the efforts you have made for me. I am also thankful to Dr. V. P. Prajapati and all the Professors and lecturers of this college for their valuable guidance.

I hereby thank Dr. K.S.PARIKH Head, Department of Chemistry, ShethMotilalNyalchand Science College, Hamchandracharya North Gujarat University, Patan, for their great help in providing literature and research facilities and encouragements during my research work.

Perhaps the words can never be sufficient to express the utmost feeling to my beloved family. I still make an effort to convey my heartfelt gratitude and regards to my respected parents, father Chimanhbai and mother Devikaben for giving me the life. I ever dreamed and for their constant encouragement before and during my study. I owe a lot of thanks to my brother Vipulbai and bhabhi Jayshreeben for their endless love and motivation.

My warm thanks to sister, Harshida (Tini) and jijaji, Nikuj to motivate me in the correct direction during my hard time.

My special grateful thank to my wife Sheetal and his family members for their constant support in my endeavour. I am also very much thankful to all my family members who have helped me directly or indirectly during my research tenure. Last but not least, how can I forget my loving daughter - Bhavya who always...
motivated me. She truly puts all her efforts to make me relax and helps me to enjoy the beauty of life.

Special thank goes to my friend and colleague, Hiteshree, Krunal, Sharad, Aashish they always gives full attention in solving my problems and moral support for the fruitful discussion about life.

I am thankful to my lab mates Jalpa Limbachia, Gaurav Patel, Dipak Sign, Paresh Patel for maintaining the warm and friendly environment in the laboratory to work smoothly.

I would like to express my vote of thanks to Teaching and Non-teaching staff of Sheth M.N. Science College, Patan for their kind support.

Lastly, I express my gratitude and apologize to all those who have helped me directly or indirectly during my research tenure and whose contribution could not be mentioned in this page.
