ACKNOWLEDGEMENT

This thesis would not have been possible without the help and support of the kind people around me, to only some whom it is possible to give particular mention here.

First and foremost I offer my sincerest gratitude to my supervisor Dr. K. Selvam, Associate Professor, Department of Botany, Periyar University, Salem for his supervision, advice and guidance as well as giving me extraordinary experience throughout the work. He has been supportive from the day I began working on this project. I could not simply acknowledge by expressing mere thanks for such a responsive supervisor.

I extend my sincere thanks to Dr. V. Thillaishekar, Research Scientist, Stanford University, U.S.A. for his keen interest in my work, all the help and encouragement extended to me throughout the period of my investigation.

I am very grateful to Dr. R. Singaravel, Research scientist, Central Institute of Brackish Aquaculture, Chennai for the help in carrying out some of the techniques and for rendering help of any kind whenever approached with wholeheartedness and his constant encouragement throughout the work.

I have no words to express my gratitude to my friend Dr. M. Arumugam, Technical scientist, Shantha Biotech, Hyderabad for his kind support and help during my doctoral study.

My sincere thanks to Dr. P. K. Anil Kumar, Senior Research scientist, Central Food Technological Research Institute, Mysore, for his valid support rendered to me in my research activities.

I would like to thank Dr. P. Iyappan, Assistant Professor, Muthayammal College of Arts and Science, Rasipuram who presented helpful and memorable time during my doctoral research.

I extend my sincere gratitude to Dr. Joseph Sahaya Rajan and Dr. Ramakrishnan, Central Institute of Brackishwater Aquaculture, Chennai for their kind cooperation and clarifying the doubts in the protocols used for the study.

My special thanks to Mr. Vijayakumar, Excellent Research laboratory, Chennai for his indispensable help in carrying out the microbial part of experiments.

I was extremely fortunate to have such a wonderful friends Dr. Geetha, Senior Research Scientist, Dept. of Biotechnology, Indian Institute of Technology,
Chennai and Dr. Krishnaraj, Plant Biotechnology, University of Madras, Gundy Campus, Chennai. They have helped me a lot morally, technically and while performing some of my experiments during my doctoral research.

I am immensely expressing my thanks to Prof. Dr. E.G. Wesley Jebasingh, Associate professor, Arignar Anna Government Arts College, Namakkal, for his encouragement and kind advice, which exceptionally inspire my research activities.

Collective and individual acknowledgments are also owed to Bio-Rad Laboratories colleagues Mr. Brijender Kumar, Mr. Subash, Mr. Bimal, Mr. Sanjay Chawala, Mr. Virendra Pathak, Mr. Bijoy, Mr. Iyyappan, Mr. R. Senthil Kumar, Mr. Girish Nair, Mr. Nagaraj, Mr. Jishil, Mr. Vijayasundaram, Mr. Vijaya kumar, Mr. Dhanush, Mr. Sridhar, Mr. Senthil Nathan, Mr. Naveen pawar, Ms. Nanthini and Mr. Sanker for their help and valuable time spent for my Research activities.

I convey special acknowledgement to Ms. N. Krishnaveni, Assistant Professor, PSG College of Arts and Science, Coimbatore, for her encouragement and support in correcting the thesis.

I would like to extend my sincere thanks to Mr. R. Arun Gandhi and Ms. B. Vishnu Priya, Department of Biotechnology, Dr. N. G. P. Arts and Science, Coimbatore for their timely help during my thesis correction.

Where would I be without my family? My parents deserve special mention. My mother Mrs. M. Pappathi Ammal is the one who sincerely raised me with her care and prayers. My father Mr. U. Muthuchamy in the first place is the person whose dedication and persistent confidence gave the endurance to come up in life. I express my sincere thanks to my wife and my kids. Their support is unique and amazing, they gave up many things for me and cherish my life with every great moments and supported me whenever I needed it. I owe my family for their unconditional support to pursue this degree.

Finally, I would like to thank everybody who was important to the successful realization of thesis, as well as expressing my apology that I could not mention personally one by one. Above all I thank the Almighty for his grace.

For any errors or inadequacies that may remain in this work, of course, the responsibility is entirely my own.

M. Senthil Kumar
