Gratitude when expressed in words is worth half the acknowledgement. I avail this opportunity to thank and express my deepest sense of gratitude and respect for my esteemed guide Dr. B.K. Sharma, Head, School of Studies in Mathematics, Pt. Ravishankar Shukla University, Raipur (M.P.). His untiring help and guidance, in spite of his hectic schedule, has made my humble endeavour see the light of day, and I state it, minus exaggeration and hyperbole, with all truth and sincerity. I am thankful to Dr. (Mrs.) Kalpa Sharma for her hospitality.

I am thankful to Prof. Gupteshwar Gupta and Dr. K. Kaur who have helped and encouraged me in preparing this work.

I am thankful to my colleagues in the Science Department; Daga Girls College, Raipur and friends whose words or kind deeds sustained my mental energies.

I am also thankful to Mr. M. R. Yadav and Mr. A. R. Sahu for their kind cooperation during the progress of my research work.

I also extend my gratitude to my mother, brothers, sisters in law and sisters for their moral support and encouragement.

I express my thanks to all my well wishers.
