ACKNOWLEDGEMENT

The accomplishment of a task is never merely an individual endeavour, rather it always involves the contribution of a number of persons directly and indirectly. I would like to express my deep sense of appreciation and extend sincere thanks to all those who have contributed to this work.

First of all, I feel profoundly indebted to my revered teacher Dr. Paramjit Kaur Sandhu, Senior Lecturer, Department of Education and Community Service, Punjabi University Patiala, who supervised my study with enduring interest, concern, faith, friendship and enthusiasm. It has been a great honour for me to work under her guidance and to learn the intricacies of research from her. I have great privilege and pleasure to express my sense of gratitude to her for her valuable guidance.

My heartfelt and sincere thanks are due to Dr. Meenakshi, Professor and Head, Department of Education and Community Service, Punjabi University, Patiala for providing me the research facilities for completion of this work. I am also beholden to the Faculty of Department of Education in whom I always found an embodiment of encouragement and knowledge.

I am also obliged to the heads, teachers and students of various educational institutions in which the tools were administered to collect data for the present study.

It is difficult to put in words my sentiments for Dr. Kulwinder Singh, Reader, Department of Education and
Community Service, Punjabi University, Patiala for invaluable support and patronage in my career.

I express my appreciation and thanks to my friends whose selfless help and encouragement inspired me to pursue my research work smoothly.

It will never be possible for me to pay for the sacrifices of my parents who always encouraged and supported me to go in for higher studies. No words could be traced in the present lexicon to avouch my parents-in-law and my husband Mr. Khushwant Singh who have given me enough impetus to compile this work as well as in my life. My heartfelt thanks to my daughters Gurmehak and Sukhnoor whom I could not care much during this period and their cooperation and bearing with me will be remembered for all the time.

I will fail in my duty if I do not express my heartfelt thanks to Ms. Preeti Sharma (Now in Australia) for her social, moral and emotional support in my life as well as in my work.

I would also like to thank Mr. Manjit Singh, MG Cyber Café, Opp. Punjabi University (Near Deep Hospital) Patiala certainly who undertook the typing work of this manuscript with efficiency and meticulousness.

Last but not the least, I thank the Almighty who has bestowed upon me the courage to fulfill the wishes of my parents who always goaded and inspired me to go in for higher studies.
