ACKNOWLEDGEMENTS

The author wishes to express his heartiest gratitude to Professor S.P. Pandya for his guidance and encouragement throughout the course of this work.

The author expresses with deep gratitude his indebtedness to Dr.K.H. Bhatt for his valuable guidance and supervision throughout the course of work.

It is a great pleasure to thank Dr. S.B. Khadkikar for his keen interest and collaboration. The author would also like to thank Dr. J.C. Parikh for some useful discussions, comments and suggestions.

The author would like to take this opportunity to express his sincere thanks to Mr. S.R. Thakore, the Head of the Computing Centre, PRL, for providing him liberal computer facilities. He would also like to thank Dr. Dinesh Patel and Mr. P.S. Shah for their kind co-operation.

Finally he would like to thank Mr. K. Venugopalan for his careful and neat typing of this thesis.
