ACKNOWLEDGEMENT

"In the name of ALLAH the most beneficent and merciful"

All praises and thanks to ALLAH the Almighty, the merciful and beneficent whose blessings enable me to complete this work in this present form.

I thank my ALLAH for giving me nice parents (Mr. Aqueel Beg and Mrs. Shamim Begum) who are my first teachers from whom I learnt everything and who are the one have always provided a strong shoulder for me to learn on to. Whatever I am today is because of their love, care, prayers, sustained efforts and sacrifices. I cannot give them anything in return except heartfelt love, affection and deep reverence.

It is my pleasure to express my sincere thanks and deep sense of gratitude to my supervisor, Mr. S. Mustafa K. Q. Zaidi (Associate Professor) Department of Library and Information Science, AMU, Aligarh, who despite of his busy schedule, provide me excellent guidance, motivation, constant help at any time and keen interest in my dissertation, without whose untiring efforts and able guidance this work would have never taken the present shape. It was a great opportunity to work under his supervision.

I sincerely express my sense of gratitude to Prof. Shabahat Hussain (Chairman), Department of library and Information Science, AMU, Aligarh, for his guidance, encouragement and valuable suggestions at every stage during the course of my stay in department.

My sincere thanks are also to my esteemed teachers Dr. Naushad Ah, P.M. (Associate Professor), Dr. Sudharma Haridasan (Associate Professor), Dr. Nishat
Fatima (Assistant Professor), Dr. Mehtab Alam Ansari (Assistant Professor) for their constant encouragement, and for the path they gave to my mental growth.

I offer thanks to the staff of the department, Mrs. Saba Nasreen Bano, Mr. S. Riaz Abbas, Mr. Zakid Hasan Khan, Mr. Mohd. Shariq, Mr. Gulrez, Mr. Mohd. Asif Khan, Mr. Basant and Mr. Sarfaraz, who have rendered great assistance to me in the collection of material and other types of work.

My thanks cannot be expressed in words to my brothers Farrukh Adil and Arish Beg all the time they showed their blessings with love affection strength and encouragement. Without their inspiration this dissertation would not have seen the light of the day.

Heartfelt gratitude is reserved for my friends Noori, Atiya, Nabeela, Uwesh, Salauddin, Azmi, Hena and Zaiba my classmates and well wishers who helped and encourage me for preparation of this work.
