ACKNOWLEDGEMENT

“In the name of ALLAH the most beneficial and merciful”

All praises to almighty ALLAH, the creator of all creations, the cherisher, and the sustainer of the world, He endured me with the requisite knowledge and ability to produce this piece of work. I bow down to him, in gratitude with all humility from the depth of my heart.

I feel privilege in expressing my profound sense of gratitude to my respected teacher and supervisor, Dr. Nishat Fatima (Assistant Professor), Department of Library and Information Science, A.M.U Aligarh, for her unfailing support, valuable suggestions at every step of my work. Her vast knowledge, scientific temperament, critical evaluation, encouraging supervision had always been a constant source of inspiration for me. She has made me realize the need and of optimism to conquer the unknown, in this fast developing scientific world and for providing all necessary facilities that made it possible to claim the accuracy in this work.

I also express my gratitude towards my respected teacher Dr. Nishat Fatima (Assistant Professor) for her enlightening conversations and
valuable suggestions during the course of completion of this dissertation.

I am also thankful to my esteemed teachers Prof. Shabahat Hussain (Chairman), Mr. S. Mustafa K. Q. Zaidi (Associate Professor), Dr. Naushad Ali P.M (Associate Professor), Dr. Sudharma Haridasan (Associate Professor), Dr. Mehtab Alam Ansari (Sr. Lecturer) for their valuable suggestions and moral support.

I am also thankful to seminar staff Mr. Zahid Hasan, Mr. Riyaz Abbas and Mrs. Saba Nasreen Bano, who rendered great assistance to me in the collection for my materials.

I am heartily thankful to my brothers and sisters who supported and helped me in the completion of my work without any failure and also prayed for my success.

Last but not the least, I would like to thank all my friends Fahad, Salahuddin, Uwaish, Fatima, Sumbul, Nabeela, Sadaf, Samreen and other classmates and well wishers for their help and moral support.
