ACKNOWLEDGMENT

“Education is a shared commitment between inspiring teachers, motivated students and enthusiastic parents.”

With this thought in mind, I express my deepest gratitude to my supervisor Dr. (Mrs.) Ayesha Qamar for her able guidance, invaluable suggestions and continued involvement in the preparation and critically going through the manuscript.

I am highly obliged to Prof. Absar Mustafa Khan, Chairman, Deptt. of Zoology, A.M.U., Aligarh, for providing me the requisite material and available facilities in the department to carry out the present work.

I pay my sincere thanks to Dr. Kamil Usmani, Section In-Charge of Entomology, Deptt. of Zoology, A.M.U., Prof. Mohd. Hayat, Dr. Khowaja Jamal, Dr. Mohd. Aamir and Dr. Shoeba B. Anis, for their support and encouragement throughout my research work. I am awfully delighted to pay my special thanks to Dr. Qudsia Tehseen, for providing me the photographic facilities available in her laboratory.

I am immensely thankful and deeply indebted to Syed Hassan Mehdi and Syed Jafar Mehdi for their constant support and cooperation in every possible means and keeping my enthusiasm alive. My sincere thanks are due to Dr. Syed Zohair Imam, Assistance Prof., University of Texas, USA, for providing free gift of sample of chemicals to carry out the present work. Thanks are also due to Electron Microscopy facilities, AIIMS, New Delhi for their cooperation and help.

No words could adequately express all that my parents have done for me. Their prayers, affection and love made me to complete this work. I am highly thankful to my brothers, my bhabhis, my niece Zyna Khan and my fiance Zuheb Hasan Siddiqui for their encouragement and moral support.

Last but not the least, I render my heartfelt thanks to my friends Shaista Khan, Monika Rani, Uzma Ahmad, A. Hannon Khan, Mohd. Waseem, Karish Miyan, Tabassum Rehmat and Asaf A. Mustaza for their careful suggestions and manifold help whenever needed.
