ACKNOWLEDGEMENT

First and foremost, I thank the Almighty for giving me strength and wisdom to complete my thesis successfully. I feel extremely delighted to place on record my sincere thanks to Dr. S. VENKATESWARAN, Associate Professor of Geology, Periyar University, Salem-11 for his guidance and valuable inputs and constant encouragement throughout my research work without which this work would not have come to fruition.

I am greatly indebted to Dr. S. ANBAZHAGAN, Professor and Head Department of Geology, Periyar University for his advice and providing me necessary facility for my research work.

It is a pleasure to acknowledge all the staff members and non-teaching staff members of the Department Geology for cooperating with me during my research period for extending moral support. I also extend my thanks to all the research scholars of the department.

I wish to record my sincere thanks to Public Works Department, Statistical Department, Tamilnadu Water Supply and Drainage Board (TWAD), Central Ground Water Board (CGWB), Geological Survey of India (GSI) and Soil Survey of India for their data and technical support to carry out the research work.

I also express my sincere thanks to the Salem collectorate officials for providing attribute data with respect to village level information.

I sincerely thank the Director, NRSC, Hyderabad for providing IRS-P6 LISS IV satellite data that has been used for preparing land use, land cover, geomorphology and lineament maps.

I would like to thank Mr. R. Balamurugan, Scientist-C, Sathyabama Deemed University and Mr. P. Prabhu Research Scholar, Department of Industries and Earth Sciences, Thanjavur who have helped me in Remote Sensing and GIS work.

I express my deep sense of gratitude to Dr. R. Thangaraj, Assistant Professor, Department of Zoology, Periyar University for suggestions in various levels and also I thank Ms. S. Deepa, Research Scholar, Department of Geology, Periyar University for helpful hand in the preparation of thematic maps.
I thank my fellow research scholars Dr.M.Thangaraju, Dr. M.Elangomannan, Dr.K.L.K.Vallal. Mr.S.Vediyappan, Mr.P.Jayapal, Mr.P.Pragatheeswaran, Mr.S.Karuppannan, Mr.AnandaPrakesh, Mr.Mohammed Rafi, Mr.Panner Selvam, Mr.R.Ayyandurai and Mr. R.Kannan in the Hydrogeological Laboratory, Department of Geology, Periyar University.

I thank Dr.M.Suresh for his suggestions and support in Geophysical work. In thanking all these people, I must emphasize that I claim as my own, any mistakes or shortcomings that remain.

I am thankful to my dear friends Mr.K.Kumarasivam, Civil Judge, Municipal Court, Manaparai, Mr.V.Sasikumar, Assistant Geologist, Ariyalur, Mr.K.Dhanabal, Mr.R.Sathyamoorthy and Mr.P.Prakesh. I also express my sincere thanks to College friends, Government Arts College, Salem-7.

Last but not least my deepest gratitude to my Mother Mrs.Lashmi, my Father Mr.Mariyappan and my Life partner Mrs.R.Vijaya and my Wonderful son Master. V.Pugazhesh, my father in law Mr.C.R.Ramu, Mother in Law Mrs.Vasantha, my brothers Mr.M.Sevisamani, Mr.M.Manimuthu, Mr.A.Jaishankar and all my relatives for their moral and financial support along with interest in my academic life. I cannot thank them enough for their constant encouragement, never ending support, understanding and love not just during the undertaking of this thesis, but throughout my entire life.

Finally, I am grateful to the University Grants Commission (UGC), New Delhi for their financial assistance and also the Principal Investigator Dr.S. Venkateswaran, Department of Geology, Periyar University, Salem-11 for giving me an opportunity to work as Project Fellow in “WATER GIS” Major Research Project (vide letter Reference.F.No.40-301/2011 (SR dated 30.06.2011) without which it would not have been possible to complete this research work.

M.VIJAY PRABHU
UGC-Project Fellow
