Praise be to God who endowed me with the capability and vigour to complete this humble work.

I acknowledge that the present study is the result of the unfailing cooperation and encouragement of my supervisor Prof. S. Sultan Akhtar, Department of Psychology, A.M.U. Who has been a perennial source of inspiration for me throughout my work.

I am also grateful to the Prof. Qamar Hasan, Chairman, Department of Psychology, A.M.U., Aligarh. Who helped me at various stages both as a teacher and as head of the department.

I also express my sense of gratitude to my teacher Prof. (Mrs.) Hamida Ahmad, Department of Psychology, A.M.U. for her cooperation and guidance.

My thanks are due to all those who helped me in various ways during my research work.
