Acknowledgements

First of all, I would like to convey my heartfelt thanks to Prof. Iqtidar H. Khan, Chairman, Department of Linguistics, and Dean, Faculty of Arts, for his valuable support with regard to this research work. Inspite of his busy schedule, he devoted considerable time whenever I required.

It has been my privilege to work under the supervision of Dr. A.R. Jatiki. Reader, Department of Linguistics, whose indepth of knowledge, intellectual vigour, generous support and passionate interest in research have been a source of inspiration to me. But for his effective guidance, the present work could not have been brought to fruition.

I am also thankful to my teachers Dr. M.K.A. Beg, Dr. Mobin A. Khan, Dr. S.I. Hasnain, and Mr. Masood Ali Beg for their help and timely suggestions.

I am highly grateful to all the research scholars of our department, notably, S. Ekhtyar Ali, M. Rehan Ahmad, Mohd. Jehangeer Warsi, Syeda Farhat Imam and Sharifa Akhtar for their academic support.

I am much indebted to Dr. Nazir Ahmad Malik, Chairman.
Acknowledgements

Department of Linguistics, Kashmir University and Dr. Nazir Ahmad Dhari, Sr. Lecturer, Department of Linguistics, Kashmir University, for their constant encouragement and creative suggestions at every step of my Ph.D. work. The help and support of Mr. Mohiuddin Bhat, Reader, Department of Electronics, Kashmir University is highly acknowledged.

I would also like to thank Dr. M. Muqimuddin, coordinator and M. Sirajuddin Khan, Asstt. Coordinator, I.O.S. - Higarh Chapter for their help, and for providing the merit scholarship.

I would like to express my heartfelt gratitude to my friends Wael Mustafa Yousef, Showkat Ahmad, M. Mazaffar Khan, Altaf Husain and Ghulamuddin for their valuable assistance throughout my research work. Also, the timely help of other friends, namely, Mohd. Abbas, Sukumar Sinha, Khurshid Ahmad and Sajjad Hussain is highly acknowledged.

I am deeply indebted to my parents, sister and brother for their love, cooperation and unprecedented sacrifices throughout my academic pursuits. I cannot express in words the instrumental role played by my father, Sheikh Razi, both as a father and a teacher, in shaping my academic career.

I would like to convey my heartfelt thanks to Mr. Najeebul Hasan Khan, Incharge - Seminar Library, for his constant support during my research work.
Acknowledgements

Profound thanks are also due to Dr. Riaz A. Khan, Assistant Administration, Mr. Anil Kumar Goel, Senior Lab. Technician, Mr. Hasibur Rahman and Mr. Wasiuddin for their cooperation and help.

Last but not the least, profound thanks are due to Mr. Pradeep Sharma for painstakingly typing the thesis.

(Rejaz Mohammed Sheikh)
