ACKNOWLEDGEMENT

The investigator is profoundly indebted to his supervisor Mr. M.R. Verma for inspiration, guidance and ready willingness to discuss any matter related to the different stages of his study.

He is grateful to the Chairman, Department of Education, Aligarh Muslim University, Aligarh, Professor Mrs. Sajida Zaidi, and Ex-Chairman, Professor Mrs. Ghazala Ansari, for their continued interest in the progress of his work, encouragement and for the facilities provided in the Department.

He acknowledges his heartfelt gratitude to his College Principal, Mr. Ashraf Ali Khan and Vice-Principal Mr. Syed Shafiq Ahmad who constantly inspired the investigator and granted leave to complete the study.

He wishes to extend his thanks to Mrs. Tahira Qayyum and Dr. Abdul Qayyum Khan for their stimulating discussions on various aspects of the problem, and assistance in statistical work and computer programming.

He is also grateful to Mr. Shaukat Ullah Zuberi, Principal, M.I. Inter College, Sikandra Rao; Mr. Abeed Uddin, Principal, Bijnor Inter College, Bijnor, his college colleagues and all teachers who extended their full cooperation in the collection
of data for this research.

His thanks are also due to Mr. Manzoor Hashmi, Mr. Abdul Haleem Khan, Mrs. Shamim Akhtar and Miss Shagufa Bano, the Librarians, for the help they rendered to the investigator in providing facilities for the consultation of references.

His greatest thanks go to his mother, sister, brother and wife, without whose moral and material support this work could not have been completed.

In the last, he would be failing in his duty if he ignores to pay his thanks to Mr. Mashhood Alam Raz for typing of the manuscript.
